Ready For Service Soon
After January 1stNEARLY YEAR EARLIER THAN
HAD BEEN ANTICIPATEDNew Design Worked Out By
Navy Engineers Show
Radical Changes

(ASSOCIATED PRESS TELEGRAM)
Washington, Oct. 3.—Such remarkable progress has been made in the quick building of the immense flotilla of American destroyers to cope with the submarine campaign, that the navy department now is assured a much quicker delivery of the ships than was contemplated at the last estimate, which in itself was far ahead of the original time.

Progress on the ships now building and arrangements for others to follow, it was said today, at the navy department, are such that the American navy will lead the world with its destroyers within eighteen months.

It is now certain that all destroyers now building will be delivered ready for duty in European waters early next year. Many of them had not been expected until the winter of 1918. Approximately ten months have been saved.

The full success of the project, however, depends on the extraordinary powers granted to the president in the bill now pending. The administration (Continued on Page 11, Col. 3.)

NEW PARTY PLANS
CONSOLIDATION OF
FOUR ALSO-RANS

(ASSOCIATED PRESS TELEGRAM)
Chicago, Oct. 3.—The organization of a new national political party is the announced purpose of a committee of Progressives, Social Democrats and Single-tax advocates.

The party is yet unnamed, but it proposes to elect half a dozen United States senators and between 20 and 40 members of the house of representatives in 1918," according to an announcement of the leaders. In 1920, the prospectus of the party says, a march upon Washington will be made to take "possession of the government."

A tentative draft of the platform which is to be submitted to the conference, said to have been written for the most part by John Spargo, former Socialist, approves universal suffrage, the initiative and referendum, the recall, the short ballot, the executive budget and proportional representation. National prohibition is demanded, and the declaration made that all traffic in liquor must be outlawed. Extermination of land monopoly, public ownership of coal mines, oil wells, telegraph and telephone systems and other public utilities and the use of union labor in all governmental activities are among the demands made in the Spargo draft.

The voting strength in today's conference was fixed at 20 votes each for the Prohibition, Progressive, Single Tax and Social Democratic groups.

The prohibition national convention which was in session here yesterday voted to concentrate its efforts in 1918 on 20 congressional districts and to raise a campaign fund of \$300,000 for that purpose. This plan is to be abandoned if the amalgamation of the new "national party" is effected.

LLOYD GEORGE PROMISES

REPRISALS FOR AIR RAIDS

(ASSOCIATED PRESS TELEGRAM)
London, Oct. 3.—A crowd of poor people in the southwest district of London yesterday appealed to Premier Lloyd George, says the Daily Mail, for reprisals against Germany for the air-raids on London. The premier shouted to the crowd: "We will give it all back to them and we will give it to them soon. We shall bomb Germany with compound interest."

The crowd cheered the promise of the premier wildly. The premier had just completed a tour of the area damaged in the raids with Viscount French, commander of the home forces.

(ASSOCIATED PRESS TELEGRAM)
Cleveland, Oct. 3.—Cleveland's third contingent of selective-service soldiers, approximately 1400, left this morning for Camp Sherman, Chillicothe. A heavy rain failed to dampen the ardor of thousands who gathered at the station to bid the drafted men farewell.

(ASSOCIATED PRESS TELEGRAM)
Cleveland, Oct. 3.—All Cleveland laundries, large and small, have agreed to enclose one of the following letters with every bag returned from the laundry: "Buy Liberty bonds, because, if the baker wins the war—Good Night shirt."

BELGIUM SCORNS
BERLIN'S TERMS

M. DeCartier.

That Belgium will never consider for a moment the proposal contained in the latest inspired utterance from Germany regarding an evacuation of Belgium "under certain guarantees," is the declaration of M. DeCartier, Belgian minister at Washington. The proposal, which was not official, was that Germany be given the right to develop her economic enterprises freely in Belgium, especially at Antwerp.

NO GERMAN MONEY
BACKED I. W. W. SAYS
ATTY. CHRISTENSEN

(ASSOCIATED PRESS TELEGRAM)
Chicago, Oct. 3.—Whether an organization, called on strike during war time and whether members can stay out when that strike was initiated before the war started, are the two paramount issues between the United States government and the 166 indicted members of the I. W. W. according to Otto Christensen, attorney for the latter organization who today began investigating the charges against the I. W. W. and preparing for the legal battle which will open soon.

Denials of each of the ten thousand charges named in the indictment were made by Christensen, who asserted the chief point at issue is whether the I. W. W. members are within the law in promulgating strikes during war time.

"The government charges cannot possibly stand up," he declared. "The I. W. W. has at no time taken a positive position in regard to the war. Some of the stories we are charged with starting to embarrass the government were started before war began. As to our alleged attempt to fight conscription I refer federal agents to the large number of I. W. W. members who are now in the various cantonments."

"The charge that German money has been backing the organization is ridiculous."

Mr. Christensen admitted that efforts are being made to obtain bonds for some of the leaders. He declared it would be impossible to obtain a total of \$1,525,000 which would secure the release of all under indictment but he intimated some of the members now in jail would be released on bail.

WAR LIBRARY FUND
NEARLY A MILLION;
WILL EXCEED LIMIT

(ASSOCIATED PRESS TELEGRAM)
Washington, Oct. 3.—The library war council, of which Frank A. Vanderlip, New York banker, is chairman, today reported to Secretary Baker that \$800,000 of the proposed million-dollar camp library fund is in the hands of its treasurers. Members of the council today expressed the opinion that the million dollars originally aimed to raise will be over-subscribed by nearly \$500,000.

New York City reports the largest receipts with its local fund well over the \$100,000 mark. Chicago has collected more than \$50,000.

President and Mrs. Wilson personally give a liberal donation toward the fund and each autographed a number of bookplates which will be inserted in books purchased with money. Secretary Baker also made a large contribution, and Mrs. Baker posed for moving pictures which showed her handing her check to the local library war council in Cleveland.

WOMAN FOUND DYING.

(ASSOCIATED PRESS TELEGRAM)
Toledo, Oct. 3.—Mrs. Grace Johnson is dying in a hospital here today. She was shot four times while in her bed last night. A note, written in German and pinned to her night gown, indicates that she contemplated suicide. Benjamin F. Patrick, who reported the shooting to the police, is held for investigation. Patrick was a boarder in the Johnson house.

CONG. MATTHEWS DEAD.

(ASSOCIATED PRESS TELEGRAM)
Toledo, Oct. 3.—Ex-Congressman Belton E. Matthews, who represented the Fifth Ohio district until a few months ago, died today at the home of his daughter, Mrs. C. C. Sherwood of Maumee, aged 65. Mr. Matthews moved from his old home in Defiance to Maumee only a few weeks ago.

COMMISSIONS TO
DRAFTED MEN WHO
TAKE TRAININGCorps to Prepare Men For
Officers Will Open
Jan. 5thREGULARS AND GUARDS
ALSO ELIGIBLE TO ENTERSoldiers Will Receive Pay
As First Class Privates
While Training

(ASSOCIATED PRESS TELEGRAM)
Washington, Oct. 3.—A third series of officers' training camps to be opened January 5th will run until April 5, the war department announced today, primarily for the education of enlisted men of the regular army, national guard and national army for commissions.

In addition, however, 2,400 graduates or undergraduates from 92 specified schools and colleges will be admitted.

A camp will be located in each of the regular army, national guard and national army divisions. Additional camps will be located in the Philippines, Panama and Hawaii and one each at Ft. Bliss and Ft. Sam Houston, Texas, and Chickamauga, Ga.

The quota of each regiment or smaller unit of the army to be selected to attend the officers' schools will be 1.7 per cent. of the enlisted strength of the organization. Graduates recommended for commissions as second lieutenants will be commissioned as vacancies occur.

College men to be admitted must be between 21 and 31 on the day of the opening. There is no restriction against married men but unmarried men will be preferred. No graduates of the colleges named who did not take military courses given at the institutions will be eligible.

Any enlisted man between 21 and 40 years of age may apply. Character and military aptitude will govern selections. College students will be required to enlist for the duration of the war and serve out their enlistments if they do not obtain commissions. They will receive the pay and allowances of first class privates while under instructions.

The camps are primarily for the training of line officers. The quartermaster general, chief of ordnance, chief of coast artillery, chief signal officer and chief of engineers have been authorized to organize such schools for special training as may be necessary.

GERMAN PRISONER
SAYS PEACE WILL BE
FORCED ON KAISER

(ASSOCIATED PRESS TELEGRAM)
Canadian Headquarters in France, Oct. 2. (Delayed).—The enemy early this morning attempted to raid our lines in the Avion sector but was discovered before he got to close quarters and driven off, after sustaining a number of casualties. The infantry activity is generally less than normal but the sound of guns never ceases. The Germans are attempting more by way of destructive shots on our battery positions than they did earlier in the season but even in this respect they are still far behind the British and Canadian gunners.

There has been marked increase in the use of long range, high velocity guns by the Germans. The results certainly do not justify the free use of these guns. The enemy has increased the proportion of gas shells and has sent us many varieties of gas. This may indicate that the chemicals from which poison gas is made are available in greater quantities than those required for high explosives.

All the prisoners of good education now speak of the growing scarcity of war materials and particularly of articles such as rubber, cotton and copper, which can neither be produced at home nor obtained from Germany's European neighbors. One of the prisoners taken in yesterday's outpost affair said that while Germany could not be conquered in the field she would be forced to make peace because of her failure to obtain supplies.

The weather is excellent and the men in the trenches are in good health and spirits. The casualties continue extremely light.

LEE SHAUGHNESSY
FALLS IN CORRIDOR
OF COURTHOUSE

Lee Shaughnessy, one of the recruits who responded to roll call for the third contingent to be sent to Camp Sherman, fell over the railing in the stairway of the Court House this afternoon and was badly hurt. He was taken to the City Hospital in an ambulance. Shaughnessy fell about eight feet, landing on the tile floor of the corridor. The extent of his injuries is not known.

Effective poster being used in second Liberty loan campaign.

HIGH SCHOOL PUPILS ARE URGED TO SAVE
BY PURCHASING LIBERTY LOAN BONDS

Newark High school students were urged to do their "bit" in winning the war by buying a Liberty Bond in an address before the High school this morning by Manager Geo. H. Mosser of the Chamber of Commerce. It was the first of a number of talks that will be made by a corps of speakers in school houses, grange halls, lodges, and other gatherings all over the county.

Emphasis was laid on the need of supporting the Government in financing the war. The speaker dwelt on the privations endured by our allies in France and Belgium and the need of money not only to send our own troops to the front to help fight the enemy, but to provide food and arms and clothing for the allies.

He explained how every boy and girl can save enough money to at

least buy a \$50 bond, which bears four per cent interest, and is one of the safest and best investments any one can make. The various banks and savings associations of Newark have arranged to assist every boy and girl to buy a bond on a partial payment plan, which will be explained fully to applicants. This feature of how young folks can use their spending money to make such an investment and at the same time help their country was made the keynote of the address.

Never before, he said, in the history of any country was there such prosperity as America is enjoying today. Now more than ever it is necessary for the young people of our country to learn thrift, that our prosperity may continue and that they may help the United States bear the immense burdens imposed upon it by our allies.

U. S. DESTROYER IN
COLLISION WITH A
BRITISH VESSEL

(ASSOCIATED PRESS TELEGRAM)
Washington, Oct. 3.—An American destroyer in European waters recently was in collision with a British naval vessel which after taking off the American crew, towed the disabled destroyer safely to port. In announcing the collision today the navy department said no one was injured aboard the American destroyer and that the vessel since had been repaired and restored to active duty.

An official inquiry developed that the collision was unavoidable, the vessels having come together during a heavy rainstorm. No blame was placed on either the American or the British vessel.

SPECIAL COURSES ON
AFTER WAR PROBLEMS
TAUGHT IN SCHOOLS

Washington, Oct. 3.—Systematic education of school children in problems of democracy and community life, which is about to begin throughout the country at the request of President Wilson, as outlined in his recent letter to school officers, will take cognizance of after-war conditions and the whole future trend of American life, according to Dr. P. P. Claxton, commissioner of education, who is co-operating with the food administration in installing the course.

Dr. Claxton has sent a letter to all state schools and city superintendents of schools, asking their aid in the distribution and utilization of a series of leaflets to be sent out to schools as a basis for instruction. These leaflets will supplement text books and be graded in three sections to meet the requirements of pupils of various ages.

ON GENERAL STAFF.

McCormack, Oct. 3.—Major Mortimer C. Mumma, son of Mayor E. L. Mumma, has been detailed to the army general staff and ordered to report at Washington immediately. He was graduated from West Point in 1900.

GERMANY DENIES
OFFERING SEPARATE
PEACE TO ENEMIES

(ASSOCIATED PRESS TELEGRAM)
Amsterdam, Oct. 3.—Germany has made no proposals whatever for a separate peace either to France or Great Britain. Dr. von Kuehlmann, the German foreign secretary, makes this announcement, according to an official statement received here from Berlin, in answering the speech made by General Verkhovsky, the Russian minister of war, before the democratic congress in Petrograd. The statement reads:

"The Russian war minister, General Verkhovsky, asserted at the Petrograd democratic congress that the imperial chancellor (Dr. Michaelis) had stated among other things at Stuttgart that Germany was ready to return Alsace-Lorraine to France. The imperial chancellors' utterances at Stuttgart are generally known and the assertion of the Russian war minister is an invention of the press. General Verkhovsky further stated that it was Germany's intention to make a separate peace with Great Britain and France at the cost of Russia and that Great Britain and France had informed the Russian government that they would not be parties to any such proposal."

"I herewith state that Germany has made no proposals whatever for a separate peace either to France or Great Britain."

Last month's reports were circulated in Russia that France and Great Britain had received offers from Germany to make peace at the expense of Russia. They became so insistent that the Russian government obtained from France and Great Britain formal denials that they would make peace with Germany to the detriment of Russia. General Verkhovsky made this announcement before the democratic congress in Petrograd on Sept. 28.

PERUVIAN LEGISLATURE

(ASSOCIATED PRESS TELEGRAM)
Lima, Peru, Oct. 3.—The Peruvian congress is considering the international situation as affects relations with Germany. The foreign minister and the minister of war have been summoned before congress to give information it desires.

SPECIAL STUDY
WAR DISEASES
BY U. S. DOCTORSShell Shock Will Receive
Close Attention By the
Army Hospital MenGET SURGERY EXPERIENCE
AT CASUALTY STATIONSMind Troubles Due to Strain
Furnish Specialists With
Interesting Study

(ASSOCIATED PRESS TELEGRAM)
American Training Camp in France, Oct. 3.—American medical officers will devote the coming winter to a special study of the diseases peculiar to the war and war conditions, in addition to their work at the forward casualty clearing stations on the French and British fronts.

At the casualty stations they will get all the experience they desire in the marvellous war surgery which has made such rapid strides in the past three years. They will be trained in all the medical phases of their work in the field at special schools. The first of the schools will be established this month at the hospital taken over by the Johns Hopkins hospital unit soon after the first contingent of American troops landed in France.

One subject to which much attention will be devoted will be that of "shell shock" which has proved very troublesome to both the British and French medical officers. Neurologists attached to the various American units will study the problem at the British and French hospitals and afterwards will give lectures to their fellow medical officers both in the hospitals and attached to the troops in training.

There is no more pitiful object in the world than a man actually suffering from shell shock. Hypnotism has been used frequently as a cure for shell shock. It stops the trembling and twitching in most cases, but late it has come to be regarded as not a real cure. The British have found that soldiers suffering from shell shock who do not have hypnotic treatment invariably get back to duty quicker than those who do.

Shell shock often causes deafness, (Continued on Page 11, Col. 4.)

SWEDEN'S KING IS
SEEKING CABINET
TO REMAIN NEUTRAL

(ASSOCIATED PRESS TELEGRAM)
Stockholm, Oct. 3.—After the resignation of the cabinet yesterday King Gustav summoned the leaders of the chief parties in the Riksdag to urge them to use their best efforts to form a coalition cabinet. Those summoned by the king were Admiral Lindman and M. Trygger of the Right; M. Eden and M. Kvarnström of the Liberals; and Hjalmar Branting and M. Thoreon of the socialists.

The king told the leaders that in his opinion it would be most expedient to form a cabinet representing the various parties which would maintain the neutrality policy of the country since the beginning of the war, safeguarding the interests of the nation and exercise a calming influence of the people during the present crisis. Saying that Sweden's difficulties were increasing daily, the king asserted the greatest prudence would be necessary to maintain the position adopted. He appealed to the patriotism of the leaders, asking them not let personal opinions and party platform stand in the way of a successful solution of the question but rather to have in view solely the welfare of the country.

RANK OF GENERAL
FOR PERSHING IS
SOUGHT BY BAKER

(ASSOCIATED PRESS TELEGRAM)
Washington, Oct. 3.—Elevation of Major General John J. Pershing to the rank of general, a title held by only Washington, Grant, Sherman, and Sheridan, is sought by Secretary Baker in a recommendation before the senate military committee today. The secretary urges revival of the rank of general for Pershing and the army chief of staff and lieutenant general for the corps commanders with the expeditionary forces. The urgency of Pershing's promotion was explained by the secretary who declared that the head of the overseas troops should be given a grade commensurate with the importance of his position.

PERUVIAN LEGISLATURE

PROBES GERMAN RELATIONS

SECOND LIBERTY
LOAN CAMPAIGN
GETS GOOD STARTWashington Officials Freely
Predict Success of New
Bond IssueWASHINGTON C. H. ALREADY
COMPLETES ALLOTMENTNew York's Subscription
Passes the 75 Million
Mark—Other Cities

(ASSOCIATED PRESS TELEGRAM)
Washington, Oct. 3.—The big drive for the three-billion-dollar second Liberty loan is in its third day with reports continuing to reach the treasury department in large volume telling of the public enthusiastic response to the national appeal for subscriptions.

Although no figures were at hand today, treasury officials predicted the success of the new bond issue. They based their prediction on the over-subscription of a \$400,000,000 issue of federal certificates of indebtedness. This is the biggest issue of short-time certificates of indebtedness ever put on the market.

PASSES 75 MILLION-MARK.

(ASSOCIATED PRESS TELEGRAM)
New York, Oct. 3.—New York City's subscriptions to the second Liberty loan have reached approximately \$75,000,000 in the first two days of the drive, according to unofficial estimates. Unsubscribed subscriptions totalling \$25,650 were brought in person yesterday to the local headquarters.

The progress of the campaign so (Continued on Page 6, Col. 1.)

UNCLE SAM ADDS
200,000 TO FAMILY
IN 16 CANTONMENTS

(ASSOCIATED PRESS TELEGRAM)
Washington, Oct. 3.—About 200,000 men, representing the third increment of the national army, today are on their way to 16 cantonments where already half the 687,000 called to the colors by the president are mobilized. Although today's quota should be 40 per cent under regulations promulgated by President Marshall Crowder, local conditions in the various states have reduced the general average of the increment to 30 or 25 per cent.

Coincident with the start of the third division of the new national army for the training camps today, the railroads war board issued a statement in connection with the part which the railroads have played in handling the biggest troop movement ever attempted in this country. "Including the new national army, the regular army and the national guard, the railroads to date have moved approximately 720,000 soldiers from their homes to training camps or embarkation points," says the statement.

"The great bulk of this army—of it, in fact, except the 32,545 men included in the first 5 per cent national army that moved by regular train on September 5—required special train service, involving the use of 13,500 passenger cars including 1500 Pullman and tourist sleeping cars, 2000 baggage cars, and 4500 freight cars."

"Some slight conception of what this problem means may be deduced from the fact that in the national army movement alone the railroads have had to prepare special schedules covering the 4631 towns and cities designated by the points of local concentration from which the recruits to the new national army proceed to their cantonments."

The statement concludes by saying that the movement of the men to the cantonments and embarkation points is progressing smoothly and to the complete satisfaction of the government.

SOUGHT COMMISSION
AS SINGLE MAN; IS CAUGHT

(ASSOCIATED PRESS TELEGRAM)
Washington, Oct. 3.—President Wilson has remitted the sentence of dismissal from the army imposed on Second Lieutenant Arthur Brigham, Jr., Sixth Field Artillery by a general court martial following conviction of having represented himself as a single man when he was in fact married.

The officer was a corporal in his regiment and when making application for examination for appointment as a second lieutenant was found guilty of having described himself as single on the official forms. No comment or explanation accompanied the president's order remitting sentence.

AUTIST'S NECK BROKEN.

(ASSOCIATED PRESS TELEGRAM)
Toledo, Oct. 3.—Louis Saylor, 22, John Saylor, 26, and Charles Miller, 28, farmers, residing near Blufffield, Mich., were brought to a hospital here early today, having been injured seriously last night in an automobile accident near Blufffield. Doctors say Louis Saylor's neck is broken and that he cannot recover.

DRAFT BOARD MAY RE-OPEN APPEALS FOR GOOD REASONS

The local draft board has received instructions from the State Selective headquarters regarding exemption claims which have been denied, and which may be reopened. The plan is intended to provide for a very small number of worthy cases in which a claim for exemption has been denied, because it has been improperly filed by the registrant or because the regulations governing such claims for exemption were not complied with.

After a man has been inducted into military service the local and district boards have no authority to discharge him from the military service. There is urgent necessity therefore for a systematic method of relieving hardships in cases where, either through error in law of a local or district board or through the nonculpable ignorance of the registrant, a person who clearly ought to have been exempted or discharged is held to service. There are two general classes of cases of such hardship:

In the first class the man has not been inducted into military service.

In the second class he has been inducted into military service. In the former class the local board may reopen the case upon its own motion or upon request of the adjutant general subject to the conditions that the local board shall immediately notify the district board that it has extended the time for filing proof and has reopened the case. Where the person has been certified from the district to the local board has not yet arrived or where the local board has not specified the date for induction to military service.

In the second class where a man has been inducted into military service he cannot be discharged therefrom under authority or selective service law but he can be discharged by the Secretary of War under his plenary authority to discharge men from military service. In the case of hardship mentioned above, a discharge from military service may be granted on the ground that the exemption or discharge from draft should have been granted. Where a man has been called to report for military duty by a local board and sent to a mobilization camp, his case may be re-opened upon authority from the adjutant general of the state. In case permission is granted, or request is made by the adjutant

general, the local board will reopen the case, pass upon its merits and certify it to the district board in the regular manner. If it is determined that the discharge should have been granted, request will be sent to the commanding officer at the mobilization camp that the man be discharged from military service on the ground that he should have been discharged from the draft. Thereupon the commanding officer will discharge the man from military service. The local board is advised that great care must be taken to see that the authority is not abused or used as a method of obtaining rehearings in cases where the only question is one of the determination of fact by the boards, or in any other class of cases than those specified above.

GRANVILLE

(Special to Advocate.) Granville, Oct. 3.—Council has awarded the contract for the paving of Mulberry, Plum and Burk streets to the Federal Asphalt Paving company of Hamilton. Mulberry and Plum will be of the same construction as Prospect and Pearl streets. Hillside paving block will be used on Burk street. Power was vested in the street committee and the engineer, T. S. Johnson, to improve the street connecting the Columbus pike with Cherry street, a short strip of roadway which is now a menace to the traveling public.

The largest attendance in several weeks is the report from the A. F. F. W. on Tuesday, and a satisfactory turnout of supplies was the result. After this week, Tuesday will be devoted to the A. F. F. W. and Thursday to the Red Cross work. Membership is held by all the workers in both organizations, but confusion will be avoided by observing separate days. Also a day will be set aside for college girls, under direction of Mrs. Theodore Johnson. A consignment of supplies was sent in by the "Three M's and L's" sewing circle, consisting of two dozen pillows; four pairs hospital slippers, five handkerchiefs and seven wash clothes.

A letter was read by the president which was an answer sent to Albert McFarland of Kenton, a nephew of Mrs. Charles Wright, who had sent a number of newspapers and a letter to a soldier "somewhere in France," enclosing his own address. The letter received in reply was well written and most interesting. The writer, who was born in France, came to America at the age of 25, but returned with the first Canadian contingent. He had lost his brother, his father, and mother in two months' time and is without relatives. He says: "I was in the front line trench when I learned about the break of relation between Uncle Sam and Germany. We were all wild with joy and sent the news to 'Fritz' in the form of an American flag fixed up on a rifle grenade. But we were much more pleased by the news of the arrival of the first American contingent in France. Bravo! friends Americans. I am sure as well as any of us that your boys will deal 'Fritz' the knock-out blow! I had a letter from Paris today telling me that the American boys had a fine reception there and went back to their barracks covered with flowers. Hoping to hear from you soon, I remain yours sincerely, 1288 Leon Base, P. O. L. I. Regt."

Mrs. George Andrews of Bay City who has been a guest at the Buxton House for several days, left today for a visit to her brother, George Henry Spease in Trilway before returning home. Miss Alice May George of Aurora, Ill., who was graduated from Denison University in June, is expected shortly to arrive in Granville where she will be the house guest of Mrs. Theodore Johnson during the month. Miss George will be present at the initiation ceremonies of Kappa Phi sorority.

A party of Granville and Denison young people will go to Dayton Friday for the wedding of Miss Dorothy McCann and Mr. Russell Williams, the culmination of a Denison and Sheperdson romance. Miss McCann was a member of Chi Psi Delta sorority and Mr. Williams of Beta Theta Pi fraternity.

Dr. C. J. Lovess, examining physician for the county draft board, stated this morning that every man of the five per cent quota who went to Camp Sherman from Granville and Licking county has been promoted to the rank of corporal—two of them lance corporals—the next in line.

LOCAL ATTORNEYS TO TAKE TESTIMONY IN RAWLINGS CASE

Roderic Jones, A. A. Stasel, J. R. Fitzgibbon, Frank A. Bolton and J. R. Cooper, will go to Cincinnati tomorrow morning, where a number of witnesses will be examined before Frank A. Bolton, special master commissioner, in the case of the Cincinnati Securities Co., vs. Chas. W. Montgomery and J. Howard Jones, as receivers of A. L. Rawlings, and the Cincinnati Discount Co. against the same defendants.

The suits are brought for the purpose of determining the validity of certain claims presented to the receivers, the claims growing out of business dealings between the above-named companies and A. L. Rawlings. A large number of books of account are involved in the proceedings, and it has been deemed advisable to go to Cincinnati and take the testimony rather than to have the books sent here.

Mr. Bolton was appointed by the court of common pleas as master commissioner to take the evidence and report to the court his findings of fact and the law in the cases. Detroit (Mich.) Horse Meat Packing Association has organized to promote the sale of a new table delicacy and also reduce the cost of living.

GAS CONSUMERS GET THEIR CASH STARTING OCT. 8

The gas escrow fund of over \$163,000 will be distributed to Newark gas-consumers beginning next Monday, October 8.

Receiver Walter C. Metz has secured room No. 16, Arcade, adjoining the Western Union telegraph office, the room formerly used by the Red Cross, and Bert D. Horton will be in charge of the check-distribution between the hours of 8:30 a. m. and noon, and from 1 to 4 p. m. A few of the checks will be mailed on October 6, but for good reasons which will be explained in tomorrow's announcement it was found impractical to distribute more than a very small part of the fund by mail.

There are approximately 16,000 checks to distribute and the room will be open for that purpose from October 8 to October 20. In order to avoid confusion checks will be distributed by wards as follows:

- First Ward—Monday and Tuesday, October 8-9.
- Second Ward—Wednesday and Thursday, October 10-11.
- Third Ward—Friday and Saturday, October 12-13.
- Fourth Ward—Monday and Tuesday, October 15-16.
- Fifth Ward—Wednesday and Thursday, October 17-18.
- Sixth Ward—Friday and Saturday, October 19-20.

Find out what ward you live in and call for your check on the days indicated and on no other day. Be prepared to tell at once the street and number where you lived between May 1, 1911, and September 1, 1915. Do not send your neighbor or small children.

Payment will be made by check and then checks will be cashed by any of the banks or will, no doubt, be accepted by merchants with whom you deal.

Read the announcement to be made in The Advocate October 4, 5, or 6, in order to know just what to do in order to get your gas checks.

CHORAL SOCIETY IS READY FOR PROGRAM FOR NEW SOLDIERS

The Choral Society met Tuesday evening at Taylor Hall, with an increased attendance for the rehearsal. All the members and singers are requested to meet at the Second Presbyterian church at 12 o'clock, Thursday, to take part in the demonstration, during which they will sing "America," "Star-Spangled Banner" and "Over There."

MANY LOCAL PEOPLE IN CAST OF PLAY FOR LIBRARY BENEFIT

The rehearsals for the production of "The Spring Bonnet," a musical production under the auspices of the Library Association are developing some histrionic talent. The play is being staged by the Misses Moorehead of Zanesville, and already the large choruses have caught the lift and swing of the musical numbers and the large cast is rehearsing faithfully. The play will be given Saturday, Oct. 13, both at a matinee and evening performance, the money derived being devoted to the benefit of the public library.

The play is arranged in two acts, the first in Betty Zane's garden, and the second, the "millinery revue," a consistent plot brings together the interpolation of the various song numbers by principals and chorus.

The following is the cast as selected: Miss Betty Zane—Miss Helen Ray of Granville. Miss Ida Zane—Miss Ruth Ditter. Hugh Terry—Miss Grace Kuesmaul. Robert Clark—Jack Hundley of Granville. E. E. Still—Edwin Esington. Louisa Still—Miss Grace Kuesmaul. Luke McLuke—Clay Van Voorhis. Iole McLuke—Miss Jessie Burns, of Granville. Maggie Nelson—Mrs. Basic. Luzette—Miss Mary Carl. Will Bill Williams—Howard Rugg. Tommaso Salvatore—Robert Rein. Roy Hawkins—Charles Hollander. Peggy Clark—Miss Cornelia Ellis. Dr. Granville—Frank Webb.

LICKING.

Mr. Earl Stoltz and family were called to Rushville last week by the unexpected death of the former's mother. Mrs. Stoltz is in poor health and is home for an indefinite time. Quite a large crowd attended the home coming at this place last Sunday. Roy Stoltz, of Granville, and C. N. Harford were present, besides the home from Newark, Kiersville, Ont. Mrs. Stoltz is a native of Licking. All seemed to have a good time. Miss Mary Ruffner assisted by her sister, Mrs. Mabel Kochendorfer, entertained with a china dinner for Mrs. James Slocumb last Thursday. She received several pretty pieces of china as well as some other presents.

Mrs. Rita Orr returned home last Saturday after two weeks' visit with Mansfield friends. Several of our young men are in readiness to go to camp as soon as called on, among them James Slocumb, George Jones and John W. Hughes. Mrs. C. N. Harford of Granville, Mr. R. V. Sperry and family of Newark, called on Licking relatives last Monday. Little Miss Lillian McElish is slowly recovering after an operation for having tonsils and adenoids removed by Dr. Hatch of Newark.

Mr. Charles Ruffner was so unfortunate as to have one of his fingers bitten off to the first joint by a coil spring at the home of his daughter, Miss Lillian McElish, who is recovering from the injury. Mr. Ruffner is now in the hospital at Newark. Mrs. Ruffner and daughter, Mary of Indiana visited at the home of Mrs. S. T. Burkland last week. Mr. and Mrs. Earl Stoltz attended the reunion at Somersport, Ohio. Mrs. Stoltz is now having a good farm for rent will go well to call on Mr. Earl Stoltz at the farm where she has been sold and to have to make a change.

Dr. Esington was up from Newark last Sunday and removed the cast from the leg of Rev. Mr. Harford. Everything is working nicely. Mrs. John White and son Homer called at the Albert White home last Sunday afternoon. Mr. White is now in Mt. Carmel taking treatments for a short time. Mrs. and Mrs. Denzell Lee are now in their new home built this summer. Mr. James Ford called to see the sick at the J. B. Black home last Sunday evening.

These Famous Clothes Sold Only At This Store

The men of Newark, of Licking and surrounding counties know good clothes—they expect style and a perfect fit—they expect comfort and lasting service.

To these men we offer the complete fulfillment of their desires and expectations in Society Brand Clothes.

These clothes—from the standpoint of authentic style—the way they are made—the way they wear—are unquestionably America's finest ready-for-service clothes.

Fall Stocks Are Now Complete

Remember that every suit and overcoat is the newest conception of a famous designer. You'll find no holdovers, no discontinued lines here.

BETTER THAN CALOMEL Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets. These pleasant little tablets do the good that calomel does, but have no bad after effects. They do not injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "dullness" and that heavy feeling coming from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "tired" and "heavy." Note how they "clear" the complexion and how they "perk up" the spirits. 10c and 25c a box. All druggists.

BUSINESS MEN TO ADVERTISE LOAN IN THE NEWSPAPERS Columbus, O., Oct. 3.—Thirty full-page advertisements, donated by as many public-spirited business men, manufacturing, financial and mercantile establishments, are to be published in the four Columbus newspapers during the second Liberty loan campaign. These advertisements will carry appeals to the public for a generous subscription to the bonds and will be paid for by private institutions and business men. The donors will be mentioned on the advertisements by only a line, to indicate the source of the donation. An outlay of more than \$4500 is represented by these 30 advertisements.

Are You Considering the Purchase Of a PIANO or PLAYER PIANO? If so, we will make you an interesting proposition and are sure we can satisfy you as to QUALITY, PRICE and TERMS. REMEMBER that back of every instrument is the "Munson Guarantee," and back of the guarantee is 66 years of honorable business experience. THE MUNSON MUSIC CO. 31 ARCADE (Established 1851) E. H. FRAME, Mgr.

NOTICE EAGLES! Members of Licking Aerie, No. 387, F. O. E., will assemble at the club house, Thursday at 11:30 a. m., of this week, to participate in the demonstration at noon in honor of our boys and brothers, who leave at that time to begin service for our country. MAT KNUEPFER, Secretary

RICH NOURISHING FOOD

Cows' milk is a complete food containing all of the necessary food elements. Food values considered, it costs very little, much less than most food products. There is no waste such as bone, shells, etc. Milk is a complete food for small children and a rich food for grown-ups. Use plenty of it in your cooking. Try an extra bottle of our milk each day for a week or two. Phone your order into our office, or tell our Wagon Salesman to leave it. The extra cost is little, but the benefits are great. Let us serve you regularly if you are not already our customer. Fresh clarified, pasteurized milk. TRY SOME. THE LICKING CREAMERY CO. Elmwood Court. 9-26-29, 10-3-6

NEWARK BOYS AT "SHERMAN" ARE MAKING SPLENDID PROGRESS AND ARE HAPPY IN CAMP

(Special to Advocate.)

Camp Sherman, Chillicothe, O., Oct. 3.—The Licking county boys are taking hold with enthusiasm. The material is here, and the intellect will be prepared to comprehend what military efficiency means. Nearly everyone has some conception of a military organization, but of the ten million men of military age, few know about Army Life.

The Licking county boys have made an old discovery, and that is there is something inside him bigger than himself—a belief in something more than his individual life back home. When he, too, discovers that he is a man; it is as real for him as the experience of motherhood is for a woman. He will come out of it with self respect and gladness.

The 324th Regiment H. F. A. is in command of Col. Ashburn. The captain of Battery B is Capt. A. M. Post of Cleveland. There are two first lieutenants, Lieut. Brennan and Lieut. Blackford, and two second lieutenants, Lieut. Lambach and Carpenter, acting First Sergeant Weaver.

The non-commissioned officers from Newark and county are Corporal Stewart Sedgwick, Ross Simpson, Victor Smith, Paul Mossman, Merl Sweetser, Wilfred Judy, also a new appointment, Geo. Brennan.

The boys of the last forty per cent received their inoculation and vaccination last week and the boys making up the last 5 per cent have received their last inoculation. The conditions in our battery are ideal—Sanitarious and thinking people generally should see them.

Sergeant Priest since becoming mess sergeant has made for the better in that line. The food is excellent. Victor Adams is chief cook in that department. Breakfast: Oat meal, pan cakes, prunes, apple sauce, bread, milk and coffee. Dinner: Roast beef, potatoes, gravy, macaroni, rice, cake, pudding, bread and coffee. Supper: Meat, potatoes, peas, sliced tomatoes, bread and coffee, sometimes tea. Sunday special menu with ice cream and cake.

A weekly inspection of the battery is made by Col. Ashburn, battery commander, every Saturday morning. He seemed pleased with the Licking county boys with the exception of their long "poms." Short hair is the rule in the army. There seems to be no homesickness in the camp.

Battery B commander purchased a new drum to help in the drills. Corporal Payne is on the sticks. Eighteen new men turned out for guard duty Saturday for the first time.

The opening of the Y. M. C. A. in charge of Secretary Frank L. Johnson took place last Saturday; it is like home to see the genial secretary around. He has a smile for all the boys and is just like a big brother. Col. Ashburn in his address to the boys at the opening, spoke of the fact that they were not drafted but selected men.

The Sixth section made up of Bill Howard, Sandy Owens, Henry Stauch, Lewis Jones, Herman Allison, Vincent Carr, Leo Prior and Geo. Brennan, have won all the athletic contests. The relay race, leap frog and many others. The speed of Jones, Stauch, Howard and Carr was too much for the boys.

Henry Stauch is still on the job amusing the boys with his songs. A fine quartet, consisting of Henry Stauch, Lewis Jones, Vincent Carr and Sandy Owens entertain the boys every day. Lewis Jones won admiration as orderly in commanding officer's department. Eustice "Boots" Collins has his cornet and is some player. Herman Allison is the efficient Headquarter Stenographer.

The guard house has been empty, which speaks well for the Licking county boys. Eetsy Simpson after drill hours has been busy at carpenter work. The location of the battery is excellent, the best in the camp. The Licking county boys are willing to carry out commands. Victor Smith was found drilling men at three o'clock in the morning fast asleep. Corporal Payne was awakened by his loud shouting of one, two, three, four, and turned him

over. Vincent Carr has made the Y. M. C. A. mecca for the boys who love songs, some soloist. Orville Creager and Carl Fisher on behalf of the Granville boys wish to say that they are all well and feeling fine. Pat Balzer and Merl Orr are the star foot ball players of the battery. Frank Steinman of Newark was down Sunday and gave the boys a box of cigars to be distributed among us; each one getting a cigar. That is the fellowship the boys appreciate and it does not hurt any one's feelings, all sharing alike. The people of Licking county and citizens of Newark are welcome in camp at any time, however, on Saturday afternoon and Sunday there are no restrictions.

A few personal remarks from the boys:

John King—"Haven't a kick coming. It's great."

Bernard Kates—"A great life."

Earl Blader—"Perfectly lovely."

Angie Butler—"Fine life this."

Dock Everett Francis—"Getting fat."

Francis Haban—"Like the army life but I miss my bowling."

Alfred Oberfield—"I'm very much impressed with the army."

Merl Orr—"This life is sure some condition."

Pat Balzer—"The army is great."

Herman W. Allison—"I love the army but ? ? ?"

John Mitchell—"Where is my Susie?"

Vincent Carr—"Admirably located."

Geo. Brennan—"I love my bunk, but O you feather bed."

Henry Stauch—"Oh, for a ramble around the square."

Lewis Jones—"Work all day and dream about the army at night."

Sandy Owens—"I long to be back on the B. & O."

Leo Prior—"I like the place O. K."

**JAPANESE ENVOYS VISIT
ROOSEVELT AT HIS HOME**

New York, Oct. 3.—Viscount Ishii and other members of the imperial Japanese mission, visited Colonel Roosevelt at his home at Oyster Bay today. The trip was to have been made yesterday but was postponed owing to the illness of the viscount and Vice Admiral Takashima, who were suffering from colds.

The mission probably will leave New York on Saturday.

MULLENIX DRAWS HONORABLE RELEASE FROM 324TH REGT.

(Associated Press Telegram.)

Camp Sherman, Chillicothe, O., Oct. 3.—Langley C. Mullenix, of Newark, today was given his first—and last—army pay. He drew pay from Sept. 20 to Oct. 3 and was honorably discharged "physically unfit." He is the only Newark or Licking county man who has been found unfit for service or who has been discharged from the National army.

"Thirty per cent men," the third big contingent to come to Camp Sherman to live and learn to war, started arriving today. By tonight the camp population will be increased 2,905 men. Twenty-seven hundred more will come tomorrow; 3,000 more the next day and 2,000 Saturday and nearly that many more Sunday.

Today's biggest contingent, 1,375 was scheduled from Cleveland which already has the biggest number in camp. Lucas county and Toledo will contribute 220 by night fall. Others in today's contingent are from Williams, Henry, Paulding, Vincent, Van Wert, Mercer, Fulton, Defiance, Ashtabula, Lake, Morrow, Putnam, Allen, Auglaize, Shelby, Montgomery, Miami, Greene, Fayette, Athens, Hocking, Beigs and Vinton counties. Hamilton county will send 959 tomorrow and other big contingents will come from Columbiana, Butler and Mahoning counties.

With the coming of the new selects 52 men who have been trying the war game will be passed on, stated as physically unfit for the arduous duty that soldiers must do.

In the number discharged are many who want to stay. One who brought his own uniform and who acted as captain of a Columbus quota that came a few weeks ago developed trouble and must go back. He was in the hospital a while. Another, a man with a glass eye, who had insisted that he be sent and finally was sent to Camp Sherman by local No. 2 Columbus, has been notified officially and finally that he cannot remain with his pals. He wanted to stay as a cook, for which he was qualified and at which he thought his defect would not interfere, but the army rule said "no," so he will return to Columbus.

There are others who feel like him—who want to stay after getting a touch of the war game—but they cannot. And there are those who are hilarious today because they are going back to civil life. It is one of the to-be-expected things in the great number of men assembled here—so no one thinks much about it.

Here are the men who will draw their pay, transportation back home and don civilian attire once and for all, under orders issued late yesterday which says they are physically unfit:

323rd field artillery—Pietro Perrino, Carl R. Mansfield, Lascalla Vincenzo, Thomas M. Gattas, Thomas Everich, Giovanni Biabottoni, Maley Gorowick, Kinsman Zerkovich, Rafalek, Giorgio, Eugene, William Kirk, Albert Lester Weber.

324th field artillery—Warren E. Jenkins, Leo E. Krouse, William E. Gallegher, Langley C. Mullenix, Mack McDonald, Frank B. McNulty, Samuel David Campbell, Clarence J. Trapp, John H. Tobin, Antonio Susi, William Snedden, Thomas M. Joyce, Nicholas J. Burman, Elmer Ford, Milton J. France, Russell Smith, Alfred J. Knall, Robert Horace Caland, Matthew Gantz, G. Cleveland Nelson, Henry Englehart, James J. Sophaus.

331st infantry—John Henry Chase.

Seventh training battalion—Herbert A. Hood, Claude H. Corn, Elton H. Wyre.

Ninth training battalion—Charles Pappas, Edward Yarham, Louis Hacerar, Antonio Giovannelli, James H. Hall, John Medrea, Waldo Brockway, Otto F. Bartz, William Ring, Albin Persson, John Kasper.

Tenth training battalion—Gust Halvas.

Eleventh training battalion—Francis P. McLaughlin, Ebenexer Spiers.

Twelfth training battalion—Henry B. Zollenberger.

RED CROSS ASKED FOR RELIEF FUND FOR FLOOD VICTIMS

(Associated Press Telegram.)

Peking, Monday, Oct. 1.—(Delayed)—The Chinese government has appropriated \$300,000 for immediate relief work at Tien-Tsin, where great destruction has been wrought by the overflowing of the Hoang river.

Dr. Paul Reinsch, the American minister, has sent a cablegram to the American Red Cross asking for \$200,000.

High water over a large section of Chilli province prevents engineers from investigating the extent of the losses and the cause of the flood. Coolies, protected by soldiers, have cut the grand canal at several places near Tien-Tsin, under orders from the conscription board, but this has not affected the situation in the city where the water is almost stationary. Pao Ting Fu, Tep Chow, and other cities of Chilli are inundated. Chinese newspapers are appealing for loans from foreign nations to prevent a recurrence of the flood by the deepening of the canals to the sea.

SLAV CONGRESS IN FAVOR OF COALITION

(Associated Press Telegram.)

Petrograd, Oct. 2.—The democratic congress, by a vote of 75 against 685, today declared in favor of a coalition government.

Engineering work is for the first time being offered to women in England.

WRIGLEY'S

A Letter from Home

At Home, July 16, 1917

How heartily I received your letter, and I am glad that you are well and so comfortably fixed. I am sending you by this mail a box of "Wrigley's"—know it will cheer you many a long hour—the flavor lasts!

The girls of the club have all sent their "boys" a box and more will follow when you want it—a different flavor, next time. Keep your feet dry and your enthusiasm up, and remember we think of you constantly. Love and kisses Jane

Beautiful Bust and Shoulders

are possible if you will wear a scientifically constructed Ben Jole Brassiere.

The dramatic weight of an unconfined bust so stretches the supporting muscles that the contour of the figure is spoiled. Ben Jole Brassieres put the bust back where it belongs, prevent the fall bust from having the appearance of sagging, eliminate the danger of dragging muscles and confine the flesh of the shoulder giving a graceful line to the entire upper body.

They are the simplest and most serviceable garments imaginable—come in all materials and styles: Cream, Black, Navy, Purple, Bandeau, etc. Padded with "Woolon," the fluffiest boning—permitting washing without removal. Have your dealer show you Ben Jole Brassieres. If not stock, we'll gladly send you, prepaid, samples to show you. BENJAMIN & JOHNSON, 31 Warren Street, Newark, N. J.

AMBITION SALTS

Gives You a Clear Head and a Good Appetite In the Morning

You need these to start with. You can't do business right if you start the day wrong. AMBITION SALTS is the greatest rectifier of mistakes of eating or drinking the night before. If you dine "not wisely but too well" take AMBITION SALTS before going to bed. You will wake up in the morning with your head clear, your stomach feeling fine, your eyes bright with the sparkle of health and energy. You will enjoy your work and do it well.

AMBITION SALTS is pleasant to take, acts quickly, no pain or discomfort.

A large bottle at T. J. Evans for only fifty cents, and it is guaranteed to be the finest sort of remedy at all times for indigestion, headache, biliousness, constipation, acid stomach, sluggish liver, kidney troubles, and malaria. It drives uric acid from the system, makes the blood pure—and pure blood means health.

Your money back on the first bottle purchased from T. J. Evans if you are not satisfied. (Adv.)

Williams' Kidney and Liver Pills

Have you overworked your nervous system and caused trouble with your kidneys and liver? Have you pains in your back? Have you a flabby appearance of the face and under the eyes? If so, the WILLIAMS' KIDNEY AND LIVER PILLS are for sale by all druggists. Price 50 cents.

WILLIAMS' MED. CO., Prop., Cleveland, Ohio. For sale at W. A. Evans' Arcade Drug Store.

THE LIBERTY LOAN.

Loans And Taxes Or Taxes Alone—Which? The government will require \$20,000,000,000 to meet the inevitable expenses of the first year of war. This money must be raised either by loans or taxes. And it is up to the people to say which way it shall be done.

If it is paid in taxes there will be no return whatever to the people. If it is provided by loans it will be repaid after a period of years and mean time the government will be paying 4 per cent interest annually upon the amounts advanced. The choice of the people would seem to be easy and obvious.

One way or the other the government must obtain it. It will either take it away from you and never give it back, or else it will gratefully accept your loans and eventually repay you, meantime allowing you the popular interest rate on its use.

The government is disposed to be eminently considerate in enforcing its needs. Economic reasons, conditions and expediency of course prompt this. It desires to divide the burden, to take part of the funds by taxation and part by the loan plan.

But if the later break down then taxes to raise all of it will become certain as death itself. And if taxation is adopted as the last resort, the burden will be far more keenly felt. Don't delude yourself that you will escape your share of it. You will not. You will feel its pinch in a hundred different ways. And in addition to these indirect levies upon your earnings, the government's efficient taxation machinery will find new methods for wading direct demands upon both your income and your holdings. It will not be patriotism alone for you to buy a Liberty bond. It will be the soundest of self defensive business wisdom. Licking County is organized with Walter C. Metz as chairman to do its part in this great campaign. All of the financial institutions in Licking County are co-operating to make the local campaign a success.

THE NATION'S CAPITAL.

Commenting on a word-wasting congressman's contention that the District of Columbia, not Washington, is the capital of the United States, the New York Sun lightly remarks: "If Washington cannot be the capital and New York has no room for it, better that the District be the capital than have the capital in Milwaukee or East St. Louis." This recalls the serious editorial contention of the Saturday Evening Post a year or so ago that we should be better governed if the capital were in New York, Chicago or Philadelphia, for in that case there would be "publicity for the affairs of government," where as now "it is remarkable how little people in general know of what goes on at Washington." Owing to its "relative isolation." But if on the other hand, "congress went to its daily sittings on Broadway or State street or Chestnut street, it would be, on the whole, a most serviceable body."

In other words, the only public worth-while is found in the great centers of population, for the dispatches in regard to the nation's affairs now sent out from Washington to the country at large would be no more complete if they were sent out from New York or Chicago, and, except in a purely local sense, the government's alleged "isolation" would remain. Such surprising remarks are interesting not only as a revelation of the self-important view of the populous center but as a reminder of the increasing tendency to forget that our governmental system is twofold and that the federal and state establishments are distinct and

ASTRONOMICAL EVENTS.

Big Dipper is seen along the northern horizon, the bowl upright, in the evening. Capella, of constellation Auriga rises early in the evening.

THE STAB IN THE BACK

(W. H. Johnson in New York Herald.)

Over the seas, in the fields of France,
Where the morning sunbeams loved to dance
Three years ago 'mid the fruit and trees,
And the wheat heads bent in the summer breeze,
Death stalks today o'er the trampled grain,
And streams run foul with the blood of the slain.
But the Kaiser's hordes with the iron heel
Have failed to crush the hearts of steel.
That bar the invader's onward track—
God pity the wretch who stabs in the back!

Mothers starving on Belgium's plains,
Children cold in the drizzling rain,
Of husbands and fathers and homes bereft,
Only hunger and sorrow left,
Are gazing yearningly into the west;
And hope leaps here in each trembling breast
When they hear the roar of a distant gun
Of England or France.

Alas, one by one
The strained cords snap and the gaunt forms fall
Ere help can come to the weakening call.
But into the jaws of that gaping hell,
Fume of poison and bursting shell,
The soldiers of Freedom press a main
Nor shrink from the Zeppelin's deadly rain
Till they bring the day when the sun shall dance
Once more on the fields of a happy France
And martyred Belgium find release.
For justice, righteousness and peace
Brave men rush into the chasm black—
God pity the wretch who stabs in the back!

Over the seas, 'ere falls the snow,
Hundreds of thousands, our boys will go,
Eyes that gleam with the joy of health,
Sons of poverty, sons of wealth,
Brothers all in their mission high,
Ready for Freedom's life to die,
May Heaven smile on each strong young heart
As off to the field of fire they start
Bravely they'll face the rifle's crack—
God deal with the wretch who stabs in the back!

Granville, Ohio.

EVACUATING BELGIUM.

(Springfield News.)

It is intimated that the German imperial government is ready to give orders for the evacuation of Belgium—under certain conditions. Germany, according to the plan which the Kaiser is said to have proposed, must be permitted to develop her interests in Antwerp, and the Belgian government must agree to accept limited authority in Flanders and the Walloon districts. Also there must be guarantees concerning Belgian neutrality.

There are, of course, the usual objections to these stipulations, notwithstanding Germany's alleged proposal to compensate Belgium for war damages. England is not likely to consent to any arrangement that would leave Antwerp under German influence. Napoleon's remark that "Antwerp is a pistol pointed at England" has not been forgotten by the English.

While the proposal offered by Germany—if a proposal has, indeed been offered—is not of a character that warrants of its acceptance by the Allies, it is something. It may be regarded as a start in the right direction.

There is no reason to suppose that Germany intends to make a first offer that will be wholly satisfactory. Like the Scotchman, she will want to "haggle," and in making a proposition over which the haggling may begin she brings peace a step nearer than it was before the conditions upon which she would surrender Belgium were named.

Germany's chief concern now is to "save her face." She may not be able to save much of it, but it is only natural that she will endeavor by receding gradually from her first proposals to make her disfigurement less noticeable than it would be if she were to consent to the cutting away of her frontal adornments with one stroke of the knife.

"ENEMY MUSIC."

(New York World.)

"In deference to sentiments of the American public," the Chicago Opera company will produce no German opera this season.

Is American sentiment opposed, in fact, to German opera? At least the Metropolitan Opera company is not disposed to hold Wagner responsible for ruthless submarine warfare and bar his works on that ground. But if musical sentiment in this country is opposed to German opera, by the same token it must be opposed to German symphony compositions. If Wagner is enemy music, why are not Bach and Beethoven also? And if German music is to be boycotted by American conductors because it was "created in the enemy country," to the consistent should be boycotted. Is not "Maryland, My Maryland" sung to an old German air? Suppress the Teutonic tune!

It had been supposed that musical chauvinism of this order had long since perished of its own folly. It is curious to see it revived by as intelligent and competent a director as Signor Campanini. Much more to the point would be the production of German opera with American singers in the roles in the place of second-rate artists from "the enemy country." There need be no fear for the democracy of music," German or Italian or French. It is safe enough from Schrecklichkeit.

A LONG WAR.

(Ohio State Journal.)

Lord Northcliffe of England, spoke to American Bankers' Association, Atlantic City, last Friday, in which he warned his hearers against the dream of a speedy peace. The war will keep up for some time, though he has no doubts of the final victory over Germany. Here is his idea of actual conditions.

"Conforming to the conditions of the actual war, we find a remarkable unanimity of thought and purpose between the Kaiser, the Junkers and the mass of the people. We find the food situation in Germany and Austria distinctly better than it was a year ago. The capture of supplies in Roumania, for instance, through the extension of cultivated areas throughout the land of the central powers, has relieved the tension in cereals and garden produce."

So, according to his lordship, the result depends upon which side can hold out the longest, which test is wholly one of actual battle. The

end of the war is going to be a real victory. Germany will have to be whipped into a peace for which the allies are fighting. It is a question which can fight longest, the central or the entente allies.

Pointed Observations

There are so many ways in which thirteen congressmen can act suspiciously around Washington that Representative Hefflin really should be more definite.—Chicago Herald.

Secret service agents are keeping tab on Senator La Follette, the telegraph tells us. And that's not the worst. La Follette's own constituents are keeping tab on him.—Kansas City Journal.

If they want to put La Follette on a pedestal, they will arrest him for sedition. His is a case for a commission in lunacy.—Portland Oregonian.

"Safety first" means that the war must go on until the people of Germany and Austria take complete charge of their governments.—Savannah News.

Kindly hand the laurel for the prize optimist to Dr. Stressemann, who tells the reichstag about "the present excellent military and political situation" of Germany.—Indianapolis News.

"Swedenitis" is the name of the new diplomatic disease. No operation needed. Exposure to the air will cure it.—Milwaukee Journal.

How big the job of getting up a revolt in this country is, and how small were the men who attempted it, it becoming clearer and clearer as the investigation proceeds.—Indianapolis News.

A fair section of the German people think they are free only because they haven't the enterprise to reach out and touch the walls of their prison.—Chicago Herald.

If Mr. Lansing publishes many more documents revealing German international perfidy, it will make the Kaiser as friendless as the ghost of Judas Iscariot.—Milwaukee Journal.

It is somewhat reassuring to observe that Uncle Sam is looking under the bed.—Rochester Herald.

South American unity against German ambitions and policies suggests something more than a determination to resist lawlessness at sea. Another great continent, rich in its own rights, is not going to pay any indemnities, either.—New York World.

A Little Fun

Quite Military.
Officer (to guard on bridge of transport)—Send that man down here.
Guard—There ain't no man here, sir.

Officer—But I see one.
Guard—He ain't a man, sir. He's a sergeant.—T.R. Bits.

No Help.
You told me last week you didn't keep help and now I find you have a cook and a waitress.
They aren't any help; they're a hindrance.—Browning's Magazine.

Good Reasons War.
The Lord knows how Blinks made his money!
No wonder he always looks worried.—St. Louis Globe Democrat.

Kill Him Socks.
Nell—Why don't you give him the mitten?
Bill—I can't find hands he has, it's cold feet.—Boston Transcript.

Why Not Intern Her?
I might let Harold go to the front if I thought it really necessary. But there are so many boys who are more useful to the country. You see Harold has been so very carefully brought up.—Punch.

Arithmetic Lesson.
"How many pounds to the long ton?"
"Twenty-two hundred and forty."
"And how many to the short ton?"
"That depends on the coal dealer."—Boston Transcript.

His Experience.
Millions—Have you ever had any experience as a valet?
Applicant—Well, I used to dress windows.—Boston Transcript.

UNCLE SAM IS WILLING BUT—

Spirit of the Press

Everybody Can Help.
In a short time, people in the United States, who have no more than \$5 to invest in government securities may purchase a war-saving certificate, bearing interest at the rate of 4 per cent in denominations of that value. It is proposed to go even further toward opening up the war loans to people of small means. They will be enabled to purchase stamps of small denomination with the view of accumulating enough to buy the \$5 certificates. Under this plan, hardly anybody will be shut out from an opportunity of helping to finance the war.—Christian Science Monitor.

Not Truly Selective.

The Federal Board of Farm Organizations is trying to persuade the President to exempt real farmers from military service under the draft. The spokesmen for the farmers say that "if selective service is based upon the desire of the government to put each man where he may serve his country best, then the administration of the draft law should not limit exemption to those who apply for it." This is warranted criticism. Under existing rulings no man who is called for service under the draft law and who passes the physical examination is excused from service unless he makes an exemption claim. Now there are many Americans who think they are rendering their country a more important service in civil life than they would as members of the new National Army, but they do not like to make an exemption claim, as to do so might put them in the light of trying to escape their duty to the country in war time. If a man is of more use out of the Army than in it, the government should discharge him of its own initiative. Whether or not he makes a claim for occupational exemption should have no bearing on the matter. Under a true selective draft law, the government, not the individual, should do the selecting.—Cincinnati Times-Star.

Colonel House.

Two or three years ago it was customary to sneer at Edwin M. House (called by courtesy colonel) because President Wilson, not a professional politician, consulted his friend in making selections of men for high office. Suddenly this modest gentleman from Texas, who now makes his home in New York, has become a most imposing figure, and a local contemporary, formerly much given to detraction and censoriousness, declares that "this reputation for astuteness in American politics is equalled only by the singular confidence which he commands, not only among the leaders of both the great national parties of the United States, but among the leading statesmen of Europe, with most of whom he has come in personal contact, for an honesty of purpose and of promise that is unswerving in its fulfillment." Certainly nothing succeeds like success. Mr. House has not changed, but some very blind persons have had their eyes opened by the events of the past six months.—Philadelphia Record.

LICKING COUNTY SOLDIERS' LETTERS

Editor of The Advocate: I wish to thank the people of Licking County for the medal which was presented to me a month back while at the Newport training station. I have been on this ship close on to four weeks and have been to sea once, that being about two weeks ago. When we started out to sea for maneuvers we were wearing undress blues and the third day out we changed to whites on account of it being so warm. We were about 500 miles off of Savannah Georgia. As yet I haven't heard the big 14 inch guns burst forth with their cry for democracy but the time is soon coming when I will. Yours truly, Joseph W. Plaine, Box N. U. S. S. Arizona, care Postmaster, New York City.

The Advocate acknowledges further contributions to the Soldiers' service medal fund from Mrs. Carrie Coyle, 57 East Canal street and Mrs. J. R. Sook of North Fourth street, also from Mrs. Fred Eaton, a friend, and Mr. R. D. Clark, R. D. No. 3, Newark.

Editor of The Advocate: I received your special delivery letter and I delivered the letters you enclosed at once. Also last Thursday's. Sorry I haven't answered sooner, but I have been acting as Mess Sergeant, and have been very busy all day long every day. There are 200 men eating at our mess and you will believe me when I say it is a lot of work. My duties consist in seeing that supplies are gotten and meals prepared, etc. Am just beginning to get some system now in the preparation of food and also it is now easier to get supplies because that is getting systematized too. For a while at took half of every day to get the goods. Now, all the food we get from the commissary is handled by our regimental supply company who take our order in the morning and delivers everything on motor trucks. It would be interesting to you to see how much the men eat and how it is handled and prepared. Cleanliness is insisted upon to the utmost degree in everything. The kitchen and mess hall are scrubbed every morning and it almost keeps one man busy sweeping and mopping the kitchen floor or scrubbing out any grease spot that might appear.

The food in our outfit is plain, but we are very fortunate in having good cooks, so that it is properly cooked. We have meat at least twice per day and are now ordering fresh vegetables from outside markets. In the past that has been impossible because of inadequate means of getting them to camp. The army cooking school exercises supervision over all the messes, both as to the kind and preparation of foods and they have worked it out to a fine point.

The boys are beginning to look like real soldiers. They are almost completely outfitted and a week of hard drill for about 8-12 hours a day is showing up in the way they now do "squads right," etc. Pay rolls were made out and signed yesterday and every man was required to be in camp today to be here for muster, which is an inspection and roll call held once each month in order to check up before pay day.

Sunday was a regular visitor's day. Many people from Newark were here and every one of the lucky fellows who participated in a picnic dinner is bragging about what he had to eat.

Mr. F. L. Johnson is in charge of the Y. M. C. A. which is but a very short distance from our barracks. He is doing a great deal in the way of providing entertainment and recreation for the men and a place to go

to hear a piano or victrola or have a little close harmony among the vocalists. They also arrange boxing matches and other amusements for the evenings, which everybody can enjoy or participate in. Mr. Johnson is now eating at the battery mess with the Newark boys and brings his own mess kit like a regular.

There isn't much individuality to tell you about as yet. The men who came at first are acting as drill instructors and doing fine. Although everybody seems to be in good spirits and taking hold of their duties in the best way.

If anything interesting develops I will write you and may be able to tell of some personal traits later. If this has any information you wish, use it as you desire. Very truly, Ralph B. Priest, Battery B 324th Heavy Field Artillery, Camp Sherman, Ohio.

Editor of The Advocate: Just finished reading an article in a Licking county paper where all the drafted men were given a great send off, and also presented with bronze medals. Well, that is all right.

But what is old Licking county going to give to her loyal sons, who volunteered, before being drafted, and by so doing showed that they were willing to give their lives for Old America? This does not look right for the drafted men to be given a greater send off than the volunteers. Your Truly, a Licking County Boy.

The foregoing letter to The Advocate was postmarked Hattiesburg, Miss., Shelby branch. It was written upon Y. M. C. A. army stationery. The name of the writer was not signed but a copy of this newspaper goes to the Y. M. C. A. headquarters at Hattiesburg and also to Licking county men, who are stationed in the army camp there, so it is probable this reply will come to the writer's notice. Evidently our correspondent received his information from some newspaper other than The Advocate for readers of this paper know that 300 service medals were given to 300 Licking county volunteers before any were issued to the selected men. If the writer was overlooked it was because he and his friends neglected to send his name and address to The Advocate. The Advocate bought 750 of the service medals with the intention of giving one to every Licking county resident in the army or navy and by popular subscription has raised within a little more than \$60 of enough money to pay for them. If this notice comes to the attention of our unknown Hattiesburg correspondent The Advocate asks that he send to this office his name, his home and his present address. If he is a Licking county resident and is now in the service or the army he will be sent an engraved medal by return mail.

Editor of The Advocate: I received the medal which you sent me and I want to express my appreciation to you and the people of Licking county. There are plenty of good friends in the service but it is good to feel that the people at home are still remembering you while you are far away from home and your people. It may take a good many of the boys, but I am sure that Uncle Sam will be on top when the war is over. I know no other boys from Licking county who are in the service, but if I should meet any of them I will tell them about the medal and what feeling the people of Licking county have for them. I wish to thank you again one and all for the token of honor. Yours truly, Stanley B. George, U. S. S. Kansas, care Postmaster, New York City.

CHEAP PREMIUM
on the shelf never
puts Good Coffee
in the Pot-

A REASONABLE price can
never buy good coffee and
a premium at the same time.
Cost of the premium must be
included.

Golden Sun Coffee is good in the
cup because it's all coffee. Dust and
chaff are removed by a special pro-
cess. That is why the cup-color is
clear and the taste free from bitter-
ness. Sold only by grocers. And
never with premiums.

CONSTIPATION CAUSES OBSTINATE HEADACHES

When your head aches you
will usually find the bowels have
been inactive, and if you relieve
this condition, by clearing the
intestinal organs of the ferment-
ing congestion of stomach
waste, foul gases and bile, the
head is relieved immediately.

Remember this the next time
you suffer from headache. The
combination of simple laxative
herbs with pepsin sold by druggists
under the name of Dr.
Caldwell's Syrup Pepsin, is highly
recommended as a gentle laxative
that acts easily and quickly,
without griping or discomfort.
It contains no opiate, narcotic,
or habit-forming drug, is
pleasant to the taste, and a most
effective household remedy.
Mothers find it especially desir-
able as a laxative for children.

You can buy Dr. Caldwell's
Syrup Pepsin from your drug-
gist for fifty cents. Get a bottle
and have it in the house when
needed. A trial bottle, free of
charge, can be obtained by writ-
ing to Dr. W. B. Caldwell, 456
Washington St., Monticello, Illi-
nois.

SOCIAL EVENTS

(Society Editor, Auto Phone 26123.)

The marriage of Mrs. Frances
Persons Good of Cleveland to Rev.
Dr. Allan H. Norcross, formerly M.
E. district superintendent of Colum-
bus, and well known in Newark,
took place at Akron yesterday, ac-
cording to advices from that city.
Rev. Dr. Norcross is field secretary
for the Home for the Aged of the
M. E. church at Cincinnati.

A musicale has been arranged to
be given at the Y. W. C. A. gymna-
sium on Thursday evening, October
4 at 7.30 o'clock. The following
program will be given by Mrs. Har-
ry D. Hays, mezzo soprano, and Mrs.
W. W. Davis, piano:

Alr de Ballet.....Chaminade
The Scart Dance.....Chaminade
Mrs. Davis.
"The Turn of the Year".....Willeby
"June".....Beach
Mrs. Hays.
Leider ohne Worte, Nos. 1-6-14.....Mendelssohn
Mrs. Davis.
"Allah".....Chadwick
The Lark Now Leaves His Watery
Nest.....Parker
Mrs. Hays.
Twilight.....Frini
Papillon.....Grieg
Mrs. Davis.
"An Open Secret".....Woodman
Goodnight.....Ashford
Mrs. Hays.

Faller-Gardner.
The marriage of Mr. Stanley P.
Faller and Miss Lela Dell Gardner
was solemnized Thursday, Sept. 27,
by Rev. C. C. Roof at Urbana. They
were attended by Miss Hazel Taylor
and Mr. Faye McMillen. The party
returned Thursday evening to the
bride's home where a course supper
was given to the following guests:

Mr. and Mrs. S. P. Faller, Mr. and
Mrs. J. L. Faller, Mr. and Mrs. Hugh
Gardner, Mr. and Mrs. H. W. Van
Wey and son, Forest Wayne, Mr.
Faye McMillen, Misses Maggie, Clara
and Hazel Taylor.

Mrs. P. J. Glancy entertained a
few little guests Tuesday afternoon
at her home in Fourth street, hon-
oring the sixth birthday anniversary
of Jack Glancy. The hours were
spent in games and luncheon was
served. The table being adorned with
flowers and a cake bearing the six
candles. The little guests were
Virginia Donahue, Minnie Stickle,
Martha Deardurff, Kenneth Stickle,
Frederick Cline, and Henry Donahue.

Gettings-Singleton.
Simplicity marked the wedding of
Miss Jessie Singleton and Mr. David
Gettings, which was solemnized at
the home of the bride's parents, Mr.
and Mrs. Frank Singleton, 30 Cedar
street, Tuesday evening.

The appointed hour was 8.30
o'clock, and at that time the first
notes of the Lohengrin wedding
march were played by Miss Mildred
Gore as the bridal party took their
places beneath an archway of golden
rod, banked with palms. The rooms
were arranged with golden-rod and
palms. The bride and bridegroom
were attended by Mr. and Mrs. Geo.
E. Hedrick of Columbus, and Rev.
J. Emery Walters of the East Main
Street M. E. church, read the mar-
riage service.

Following the ceremony a wedding
dinner was served, the bridal table
being centered with a mound of Kil-
larny roses, and the following
guests were seated: Mr. and Mrs. Geo.
E. Hedrick, Mr. and Mrs. Frank
Singleton, Mr. and Mrs. Walter Get-
tings, Mrs. Ruth Gundy, Misses Mil-
dred Gore, Ruth Hirst, Lena Bieber-
bach, and Rev. Mr. and Mrs. J.
Emery Walters.

Mr. and Mrs. Gettings left for a
wedding trip to be spent in Chat-
tanooga, Tenn., Atlanta, Ga., and
Jacksonville, Fla. They will be at
home after November 1, at 30 Cedar
street.

The bride was graduated from the
Newark high school and has been
cashier at the W. H. Mazey com-
pany. Mr. Gettings is assistant car
distributor at the Baltimore & Ohio
Railroad company.

A reception was held in honor of
Rev. A. B. Cox and family, Tuesday
evening, at which time there were
about three hundred members and
friends of the church present.

Rev. Mr. Burcher presented Rev.
Mr. Cox and family each with a
small remembrance from the church
on behalf of their faithfulness.
After a short program they all re-
turned to the basement where light
refreshments were served.

Miss Dorothy Edmiston is in Col-
umbus today attending the Glenn-
Mixer wedding.

The Tuesday Afternoon Auction
club will meet Thursday after-
noon, at 2 o'clock, at the home of
Mrs. Chas. Kellenberger, Robbins
Drive, in the new Rose Hill addition.

WE WANT YOU

To use Great Seal
Brand Flavoring Ex-
tracts, not because
they are made in
Newark, but BE-
CAUSE THEY ARE

OF THE VERY BEST
OF MATERIALS OB-
TAINABLE. We want you to get
the best Flavoring Extract made.
Those who have tried them say there
are none better. Ask your dealer to
send you Great Seal Brand. They
are guaranteed. For sale by leading
dealers everywhere.

OBITUARY

Mrs. Rue Comisford.
Mrs. Beatrice Kains Comisford,
wife of Rue Comisford, died at the
home of her parents, Mr. and Mrs.
V. F. Kains, near Hebron, O., Tues-
day evening at 7.30 o'clock, from
tubercular trouble. She was aged
21 years and leaves besides her
husband and parents, three brothers,
Merritt, Theodore, and Howard
Kains, and two sisters, Twila and
Margaret Ruth. The funeral will
take place at the Hebron, M. E.
church Thursday afternoon at 2
o'clock, Rev. R. B. White officiating.
Interment in the Licking cemetery.

William Burke, Sr.
William Burke, sr., 74, retired
railroad engineer and civil war vet-
eran, formerly of Newark, died Tues-
day at his home in Columbus after
a long illness of dropsy. He was a
member of the Brotherhood of Lo-
comotive Engineers and of the Union
Veteran Legion. Surviving are his
wife and one son, William J. Burke.
Funeral services will be held
Thursday at 8.30 a. m., at St.
Patrick's church. Burial in St.
Joseph's cemetery.

Milady's Boudoir

For a Red Nose.
Does Madamoselle's precious nose
yet resemble a glorious American
beauty rose in color? Maybe it is
not the effect of the cold weather,
but a plain case of indigestion which
is a prime factor in producing the
undesirable color.

You may detect this symptom by
noting if the nose becomes red and
swollen. Rich foods, which tax the
digestion organs, must be avoided, or
those which, while wholesome for
others, are poisonous for you.

For example, the luscious strawber-
ry is quite impossible for some per-
sons, and shortly after eating even
a few, the nose assumes a similar hue,
accompanied by a dreadful itching
sensation.

And then Madamoselle must begin
to diet, even though she deprives
herself of many delicacies she loves.
All stimulants, including tea and co-
ffee are blacklisted. Simple, but none
the less palatable, foods easy of di-
gestion and assimilation, should be
chosen.

Dieting is the only remedy, and it
is the toll for eating things that the
palate craves but the stomach
loathes.

Our Boys and Girls

The first essential for a child's
beauty and health is plenty of pure
air and sunshine. If children have
plenty of light, and a properly regu-
lated diet, they will grow like
flowers and be as lovely as they are.

But in the effort to give them
light and air do not allow little girls
to freckle, for freckles once attained
are very difficult to get rid of, they
manifest themselves very early in
life.

Shading the child's face with an
ordinary cotton sun bonnet is a wise
precaution. At any rate, if freckles
should make their appearance, the
sunbonnet will have given sufficient
protection so that they will not be
deep seated, and it will be an easy
matter to get rid of these by apply-
ing a freckle lotion.

The Sick

Mrs. Winn Beall, who underwent
a serious operation several days ago
at the Granville street hospital, is
improving.

John Crittice was operated on at
the City Hospital this morning, the
attending physicians being Dr. Es-
sington and Turner.

Master Cecil Crego, who has his
arm broken, while cranking a ma-
chine, is improving at his home in
Baker street. He will soon be able
to return to his work at the Halsey
glass plant.

Mrs. John Adams is ill at her
home in Eleventh street.

ABOUT PEOPLE

Rev. Dr. J. M. Chermutt of Mon-
tana is visiting his sister, Mrs. J.
L. Knight of Orchard street.
Mr. and Mrs. Henry Pfeiffer and
son George motored to Delaware
Sunday.

Mrs. W. L. Sperry of Hudson
avenue is spending a few weeks in
New York City.

Mrs. Esther Abbott of South
Fourth street left at noon today to
spend several months with her son
in Baltimore, Md. While east Mrs.
Abbott will also visit New York and
be the guest of her son, Frederic
Abbott, who is in New York for ten
days playing with Lieut Sousa's mil-
itary band of 200 pieces.

Miss Neva Colville, dietitian in
the hospital at Wichita, Kansas,
who has been visiting her aunt,
Mrs. Anna Goode and family of
Moult street, left Monday morning
for Charlotte, N. C., where she ac-
cepted a position in the Y. W. C. A.

Mrs. Anna Goode and Miss Nora
Colville spent Friday at the Colville
home near Alexandria.

Mr. and Mrs. Charles A. Smith of
Seventh street, have returned home
from Mt. Clemens, Mich.

Frank T. Hillbrant, president of
the board of trustees of the Chil-
dren's home, went to Springfield to-
day to attend the state meeting of
Charities and Correction.

Misses Florence and Lillian Boyd
of Decrow avenue are attending nor-
mal school at Athens. They were
graduates of Newark High school
class of 1915.

Mrs. Elizabeth Orr is in Newark,
called here by the illness of her sis-
ter, Mrs. Winn Beall. She will re-
turn to her home in Cambridge in a
few days.

Mrs. Mary Pfeiffer of Chattanooga,
Tenn., is the guest of Mrs. Gillespie,
of Buckingham street.

Mrs. Cain and Miss Flora Levitt
have returned from a visit to Colum-
bus.

Miss Cecelia McCarthy has return-
ed to her home in Infront after visit-
ing Mrs. G. Alexander of Grant
street.

Ted Devlin has returned to Mans-
field after visiting at his home in
North Morris street.

Miss Mayme Jones of Indianapolis,
is the guest of her sister, Mrs. Mat-
thew Heck of Cottage street.

Mrs. Tom Quinn of New Martins-
ville, W. Va., is visiting relatives in
Newark.

Every woman who wears a Gos-
sard corset this fall will get more for
her money than ever before or than
she can by buying any other. See
them at MacEwens Corset Shop.

Advice to the rounder: Take care
of the night before, and the morn-
ing will take care of itself.

A Letter From Washington

The Food Administrator Writes Us:
"The use of baking powder breads made of corn and other coarse flours instead of
patent wheat flour is recommended by the Conservation Division of the Food
Administration. The wheat needed for export is thus conserved, and at the same
time healthful food for our own people is provided. The circulation of recipes pro-
viding for these uses would be of assistance in carrying out our plans."

The following recipes for Corn Bread and Rye Rolls save wheat flour
and make attractive and wholesome food for every day when made with

ROYAL BAKING POWDER

CORN BREAD
1 1/2 cups corn meal
1 cup flour
1 level teaspoon Royal Baking Powder
1/2 cup milk
1 teaspoon salt
1 1/2 cups milk
3 tablespoons shortening
Mix thoroughly dry ingredients; add milk and melted
shortening; beat well; pour into well greased pan
and bake in hot oven about 35 minutes.

RYE ROLLS
2 cups rye flour
1/2 teaspoon salt
1 level teaspoon Royal Baking Powder
1/2 cup milk
1/2 cup rye flour
1/2 cup milk
1/2 cup shortening
Mix dry ingredients together; add milk and melted
shortening. Knead on floured board; shape into rolls.
Put into greased pan and allow to stand in warm
place 20 to 25 minutes. Bake in moderate oven 25
to 30 minutes.

Our red, white and blue booklet "Best War Time Recipes" containing additional similar recipes
sent free on request. Address Royal Baking Powder Company, Dept. H, 135 William Street, New York.

There can be too much of a good
thing. A full house has emptied
many a man's pocket.

Many a man's only idea of a
friend is any fellow he can make use
of.

A man may be up one day and
down the next, but that doesn't ne-
cessarily prove he isn't on the level.

The lucky poker player may win
about everything but his antagonist's
friendship.

You never can tell. Many a man
lives by his wits who never wrote a
joke in his life.

Success means hard work. It
never even comes to the actor by
easy stages.

Milk Price Announcement Of The Licking Creamery Co.

For the information of our patrons and the public generally, we desire to state that the price at which
this company retails milk and cream has not changed.

Our present price is not guaranteed for any definite length of time, since the retail price of milk and
its products must depend to a large extent upon the cost of their production.

Production costs vary greatly from time to time, owing to changes in the value of feed, labor, etc.

During the last couple of years all production costs have been unusually high, nevertheless for the
time being our price will remain unchanged.

Clarified, Pasteurized Milk 9c Per Quart and 5c Per Pint
Fresh, Sweet, Pasteurized Cream 9c Per Half Pint

Phone our office and ask for our splendid daily wagon service to your home.

The Licking Creamery Co., Elmwood Court

FOOD SOURING IN STOMACH CAUSES INDIGESTION, GAS

"Pape's Diapepsin" Relieves Stomach Distress in Five Minutes.

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have dyspepsia. A little Diapepsin occasionally keeps the stomach sweetened and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quick-est, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it stops fermentation and acidity and sets things straight, so gently and easily that it is really astonishing.

A SAFE, EASY WAY TO CURE ULCERS

No matter how bad a sore or ulcer afflicts you, it is believed that HOKARA, the pure skin healer, will cure it, but if it doesn't cure, the purchase price will be refunded. The Evans' Cut Rate Drug store, the local agents for HOKARA, who have sold hundreds of packages, say they have yet to find any form of wound or disease affecting the skin that HOKARA does not heal, and its relief comes so quickly that those who try it are simply delighted with it. Pimples, eczema, blackheads, acne, barber's itch, and all skin troubles are quickly relieved by applying this simple skin healer and tissue builder. It contains no grease or acids, and is cleanly to use. Evans' Cut Rate Drug Store is selling a large package of HOKARA for 35c.—Advertisement.

New York's Plathush district now has a Caledonian hospital, built and equipped by Scotch citizens.

CAMP SHERMAN NOTES

Camp Sherman, Chillicothe, O., Oct. 3.—Soldiers of the new National Army are learning a great many new things these days. Sewing is becoming a regular part of each day's duties, not from requirement by official military orders, but from necessity. Patching and darning goes with the other needle work.

So the selective draft men are becoming efficient "housewives." Many have a "housewife" outfit, which is considered a very important part of the soldier's kit nowadays. It consists of needle and thread, buttons of various sizes for various parts of the wardrobe, and other things necessary to keeping clothes patched and stockings darned.

And last but not least, each man must know how to "make up" his own bed and how to keep his particular part of the barracks building or bunk hall in proper order.

After arising in the morning there is a certain period set aside each day for cleaning up. The straw bed ticks and blankets on each bunk must be doubled back from the foot of the cot "just so." Handbags or bundles belonging to the soldier must be placed just so, and everything else he has of a personal nature must have its place. This includes writing materials, books, papers and magazines. It is a breach of the rules to leave things scattered about. Order is the by-word at Camp Sherman.

Should the recruit spill a bit of coffee or drop a bit of bread or upset the sugar bowl on the long mess table, it is his duty to repair the wrong. There are no waiters, no lackeys, no maids or servants of any sort to help the individuals in the military camp. Each fellow is responsible for his own well being, his own personal appearance and his own welfare.

Officers say there is one sure way to find if the privates in a company or in a regiment are interested in their work. That is to find if they talk drilling, discuss their work among themselves or if they study what they are working at day by day—if they are taking more than a passing interest in their new life.

Chillicothe dealers in books and in military supplies vouchsafe the information that the demand for drill manuals is wonderful. Hundreds of the enlisted men are trying to buy the booklets at 50 and 75 cents each to learn in detail what they have been practicing and what they are going to practice in the days to come.

At the barracks any evening one can find little groups of men talking about the various orders they have been following and even some they have anticipated. And they are reading war stories and incidents. Magazines with good "front the front" yarns and newspapers with

stories from the correspondents at the front are prizes.

There is no question about the men of Camp Sherman being interested in what they are doing. They do not finish the day's manual labor and forget about it. They are living it, breathing it, thinking and talking it and even dreaming it. The life of the soldier to the majority is a big adventure, one would think, and they are making the best of it. There are exceptions but they are decreasing in number every day. The rank and file is taking to this new life like they enjoy it. And most of them are getting more fun and satisfaction from it than from anything they ever tried before.

All of the barrack bulletin boards at Camp Sherman bear the "official" song that Ohio drafted men at the camp are singing on their hokes and about quarters. Those who don't know the words have been requested to learn them.

Here's the version, sung to the tune popular at Ohio State University:

Ohio, Ohio, the hills give back the cry.

We're here to do or die, Ohio, Ohio, we'll win the war or know the reason why.

And when we win the war, we'll swipe the Kaiser's booze, And we'll drink to old Ohio 'till we wobble in our shoes.

Ohio, Ohio, the hills give back the cry.

We're here to do or die, Ohio, Ohio, we'll win the war or know the reason why.

One sees many old and interesting things at the big military training camp here where between 20,000 and 25,000 citizens of Ohio and Pennsylvania are training to "lick the Hun." A study of the men themselves is worth any man's time. Their life in camp would make an interesting book. The way they have turned from business cares to this war game business, interspersing drill hours with games in which they show the pleasure of children, might make a volume for some fluent scribe.

But one of the things that strikes home is when you see a big strapping officer, perhaps a lieutenant or a captain or even a major, stop and greet a common rookie with outstretched hand, a smile and a "Why-Hello-there-Jack."

This National Army certainly is a democratic body, and that common scene proves it.

Here are men who have worked shoulder to shoulder, lived as neighbors—or even roommates at school—and one is a selective draft soldier of no particular consequence so far as army ways go, and the other is an officer. One has "taken his chance" and the other has grasped the opportunity of going to an officers training

school. The one is with the rank and file. The other, his pal perhaps, is his commander.

The other day when they were transferring men from the infantry to the regiment of engineers, an officer was picked to lead the men to the barracks of the engineers. He got the men there and started between the lines to report to headquarters. He bumped into a private—a private in the rear rank.

"Well—hello Red!" he almost shouted.

"Hello there, Bill," greeted the private.

They cast aside the military rules and regulations and had a good old-

fashioned heart-to-heart chat right then and there while the other men and some officers waited. There was no observance of the army rule that says an officer does not shake hands with a private. The two were pals in the yesteryears and they met as pals, despite the fact that one wore shoulder straps and the other did not.

And so it goes here at Camp Sherman. Men who have directed the work of forces of men are in the rank and file, officered in some instances by the very men who working for them but a short time ago.

Men of means—aye, men who have incomes as high as a thousand dol-

lars a day—are serving under officers who, in civilian life they scarcely would have noticed.

Downtown eating places in Chillicothe have a problem to solve. They want to know how to take care of the two "big-day" throngs when, as an electrician would say, they must carry their "peak load."

Ohio and western Pennsylvania selective draft soldiers get off from their camp duties on Saturday afternoons and Sundays and great numbers of them visit town, many staying for an evening meal. To their demands for food are added those of visitors who pour in by the hun-

dreds to see brothers, sons and friends at the camp.

During the other days of the week the restaurants can cope with the situation fairly well. But this Saturday and Sunday rush is vexing. In several of the most generously-patronized places enlargements already are required.

The eating houses stock up with a mammoth supply of all kinds of steaks, chops, and other foods. They double and treble the force of waiters and cooks, and feed as many as they can. Patrons must take their places in line.

AMUSEMENTS

ALHAMBRA.

"Tonight and Tomorrow." "The Guardian" is the title of the intense, thrilling and thoroughly entertaining World Picture Brady-Made which will be the attraction at the Alhambra tonight and tomorrow. Three stars—June Elvidge, Montague Love and Arthur Ashley, appear in this production and each of them has a part of particular power to portray.

"The Guardian" has a great number of scenes of exceptional beauty and interest and this picture is altogether one of the most satisfactory pictures imaginable.

Scene in "There She Goes," Auditorium, Saturday, Matinee and Evening.

In the open at night so that the story might be faithfully interpreted. This is the first that only the Brady-Made known property has ever been photographed, and it is sure to be a delight to the eye.

GRAND.

There is literally a smashing finish to "War and the Woman" the feature starring Florence LaBadie at the Grand theater Thursday and Friday.

Near the end of the play, Miss LaBadie, who has the role of a patriotic young American, is a prisoner in her home, which has been made the headquarters of an invading army. Determined to punish the men who have been responsible for so much misery, she takes the lead in a series of operations to destroy the invaders.

After arranging for the "blow off" the woman means, but an impulsively patriotic speech she makes arouses the anger of the invaders and only by rare courage and quick action is she able to escape. She reaches the aeroplane while the invaders are still searching the house. They fire upon her from the roof, and then—its explosion takes place, and the building is transformed into a heap of smoking ruins.

AUDITORIUM.

If you haven't attended the Auditorium during the screening of the picture "Our Boys Leaving for Chillycothe," the big feature picture that was made expressly for Newark, this picture shows the most dramatic and given in honor of 40 per cent of the draft, that left Newark at 1:45 p. m. on Thursday, Sept. 20, and then—its explosion takes place, and the building is transformed into a heap of smoking ruins.

Large crowds again saw George M. Cohan, popular screen star in "Seven Keys to Baldpate," a screen adaptation of his new sensational stage hit yesterday at the Auditorium and all are loud in their praise for the wonderful stage settings, the company and everything connected with this wonderful Artcraft feature. None should miss this wonderful feature for it's the best ever.

Geo. Cohan.

George Washington Magee, a novelist, makes a wager with the owner of Baldpate inn that he can write a story in 24 hours. Seeking seclusion, Magee borrows the key to Baldpate, a summer hotel now locked up for the winter, and writes his new story in a room of the deserted hotel. He writes his story. There enters the hotel of one John Bland, an employee of a street railway magnate, who places \$200,000 in the hotel safe—a bribe to

be called for later by the Mayor of New York. Magee surprises Bland, who draws a pistol, but a moment later the novelist tricks him and locks him in a room. Forthwith, however, Magee is confronted by a third intruder, Mary Norton, a newspaper reporter on the trail of the bribery affair. Magee falls in love with Mary and complications crowd still more closely upon one another's heels. Peter, a strange old hermit, come to "lonely" Baldpate that night.

At Auditorium for the last time today.

"Lost in Transit." Flits within the camera's range by accident and "registers" so well that they won't let him out.

In "Lost in Transit," George Beban's latest Paramount picture in which he is to appear at the Auditorium theater tomorrow, a new actor, aged two and a half, and familiarly known as "Bob White," makes his screen debut in an important role, although he has worked a few scenes in two other pictures, the first of which was more or less of an accident.

George Beban was working in "A Roadside Impression" in which it will be remembered he danced with a trained bear to amuse a crowd of children.

"Bob White" was watching Mr. Beban and the bear dance, and they seemed to be having such a very good time that it seemed a shame for a lit-

tle chap just running over with fun to be left out.

So "Bob White" joyously cavorted in. He skipped and danced right in under the cameraman's astonished nose and before that gentleman or anyone else had time to say "Jack Robinson"—or "Bob White," he and Mr. Beban had joined hands and with Bruno, were having the time of their lives.

So the cameraman kept on grinding and one of the prettiest, most spontaneous scenes of film was registered. As long as "Bob White" had been in one scene they had to let him in for the others and so it went on much, and made such a hit that he was again used in Mr. Beban's next picture, "The Cook of Canyon Camp."

Then Kathlyn Williams, who is a well known star as well as an author, and who had seen the youngster's performance in the "side lines" in the studio, wrote "Lost in Transit" with "Bob White" and George Beban in mind.

They worked through the entire production together, "Bob" appearing in nearly as many scenes as the star himself, and it would be difficult to decide which of the two enjoyed the proceedings more.

To "Bob White" it was just one long game which he played one of the strictest rules of which was not to look at the "taming" as he called the grinding machine. This is seen tomorrow and Friday.

"There She Goes" with Harvey and Harold Orr and the original New York cast and production comes to the Auditorium, matinee and night, Saturday, Oct. 6. The big spectacular musical comedy is well laden with song and comedy, and is a whole show in scenic surprises and gorgeous costumes.

Besides Harvey and Harold Orr, two of America's cleverest singing comedians, who are a whole show in themselves, there is a coterie of clever singers, dancers, and a wonderful chorus of Broadway beauties gorgeously gowned in the latest creations. The stage settings are sumptuous and the 21 songs are of the whistly kind. Among the songs are "There She Goes," "In Honolulu Town," "When You're Twenty-One," "The Seaside Rag," "I Fell for You in Old Fall River," "Someday, if Dreams Come True," and "I've Got the Sweetest Home in Dixie." This company appeared at the Court Theater, Wheeling, last Saturday, and all records for business was broken and the paper said it was one of the best musical attractions of the year. The seats are on sale in the morning for both performances.

The matinee prices being within reach of all, the entire lower floor being sold at 50c.

Auditorium Notes. Of the "There She Goes" company, is a Newark girl, she having been raised here in her girlhood days. This company playing only the best time has broken records in almost every city visited. They play Newark Saturday, matinee and night.

The seat sale for "There She Goes" starts Thursday at 10 a. m. This is one of the most pleasing musical comedies that will visit Newark and should draw capacity business. A limited popular matinee will be given Saturday—the entire lower floor being reserved at 50c to all.

The announcement that the world series baseball will be heard at the Auditorium Sunday, when a special wire will be run into the theater, has created a good impression with enthusiastic ball fans here and no doubt capacity business will rule. Seats are to be reserved Thursday morning.

Sore Eyes, Granulated Eyelids, Eyes itchy, exposure to Sun, Dust and Wind quickly relieved by Murine Eye Remedy. No stinging, just eye comfort. At your drug's or by mail, 50c per bottle. For Book of the Eye Free, ask Murine Eye Remedy Co., Chicago.

Gertrude Burdell, of the "There She Goes" company, is a Newark girl, she having been raised here in her girlhood days. This company playing only the best time has broken records in almost every city visited. They play Newark Saturday, matinee and night.

JOE DAWSON IS NEAR HOME WHEN HE COMES TO NEWARK FOR BIG AUTO CLASSIC NEXT SUNDAY

JOE DAWSON—MAXWELL

"BILL" HAYNES—MERCEDES

Two of the most popular entries in Newark's big auto classic to be run next Sunday are Joe Dawson at the wheel of the Maxwell Special, and "Bill" Haynes driving the Mercedes Special. Dawson, who formerly lived at Mt. Vernon, needs no introduction to racing fans of Ohio as his entry with the famous Yellow Maxwell Special is looked upon by many to cop the long end of the \$2,000.00 purse hung up by the promoters of Newark's first big auto race. Haynes is practically a newcomer to this section, but is well known on the speedways of America where he rode as mechanician with

the famous Ralph De Palma for several successful seasons. Under such tutelage as the famous Italian is able to give, Haynes should prove to be one of the best drivers in the country for Ralph De Palma is recognized as the leading driver of the world as his last mechanic to quit "pumping oil" for a mount of his own, Tom Alley, has proven to be an apt pupil and has developed into one of the best of American drivers. Those who know Haynes look upon him to duplicate Alley's record and the big Mercedes Special with Haynes at the helm will undoubtedly give a good account of itself next Sunday. The entry list

now contains seven of the fastest dirt track cars in America and such a constellation of stars has probably never before been brought together on a half mile dirt track. Among the "big boys" entered are Licklider, driving the Hudson Super-Six, the Duesenbergs, which was to be driven by Armentrout, for which a driver will be secured, Maxwell to be piloted by Dawson, "Wild Ben" Lawwell on his famous "Ford 16 valve Special", Bill Haynes in the Mercedes Special, Ray Huffer driving the Cole Special and Pete Henderson at the helm of the famous Cornelian constructed by Louis Chevrolet.

VETERAN UMPIRES CHOSEN FOR TASK IN TITLE SERIES

(ASSOCIATED PRESS TELEGRAM)
The umpires appointed for the world series of 1917 are: William J. Klem and Charles Rigler, National League, and Frank O'Loughlin and William G. Evans, American League. All of these have had considerable experience as arbiters of play in the world's championship contests. This quartet worked together in 1912 when the Boston Red Sox defeated the Giants in the memorable eight-game series and again in 1915, when the Boston Americans won four out of five games from the Philadelphia Nationals. Now for the third time they have been chosen to act together, calling balls and strikes; making decisions on the bases; and watching the foul lines, each in his turn as the series progresses.

Klem's first experience in the big baseball feature was in 1908 and since that time only two world's flags have been won without his having been connected with the games in his official capacity. The exceptions were the battles of 1910 and last year. So that the coming series will be the eighth in which he will have taken an active part. O'Loughlin antedates Klem in world series history as he was one of the umpires in the Chicago series of 1906 when the White Sox beat the Cubs four out of six games. He officiated again in the 1909 series between Pittsburgh and Detroit when the Pittsburgh Nationals shut out the Tigers in the seventh game and won the championship. Then in 1912 and 1915 he was active and the coming contest will mark his fifth appearance in the world series.

Rigler also will officiate for the fifth time in a world's championship struggle, when he steps out on the diamond at Chicago. In 1910 together with Connolly, O'Day and Sheridan, he umpired the series between the Athletics and Chicago Nationals. In 1913 he was appointed for the New York-Philadelphia series, while in 1912 and again in 1915, he and the other three umpires who are officiating this year, worked together.

Evans had his initial experience as a world-series arbiter in 1909, when he worked with Johnstone.

WORLD SERIES BONUS MAY GO TO PLAYERS IN LIBERTY BONDS

(ASSOCIATED PRESS TELEGRAM)
Chicago, Oct. 3.—Tangible results in the contest between President Comiskey of the Chicago Americans and the National commission on one side and the Chicago scalpers on the other, are expected tomorrow when the delivery of tickets to the world's series, to successful applicants is made. Notices have been sent to the fortunate ones asking them to call at the southside park and receive their reservations.

Scalpers, too, have informed their patrons that they will be able to deliver tickets tomorrow but their high prices indicate an inadequacy of supply. One box seat for three games is quoted at \$50 by the scalpers. The face value of such a reservation is only \$15 for three games. Grand stand seats for three games which cost \$4.50 at the box office are quoted at \$15 by the speculators.

The fact that no prices are quoted by the brokers, on non-reserved seats, has led the White Sox management to believe that no effort will be made to purchase those, for customers. President B. B. Johnson of the American league is in favor of paying in Liberty Bonds the players in the world's series, instead of handing them the customary bank checks. He said today, however, that he was opposed to investing the National commission's share of the receipts in Liberty Bonds, as proposed by President August Herrmann of the commission, because he believes the money will be needed to defray current expenses.

A meeting of the national commission is to be held here Saturday morning at which details of the world's series games will be disposed of.

The Chicago Americans came home this morning and this afternoon will play an exhibition game with Cleveland as a final tuning up for the world's series. Manager Rowland of the White Sox plans to use his world's series lineup against Cleveland, working his pitchers cautiously a few innings each.

THEY ARE HERE

Yes some of the most beautiful pieces of clothes are now on display at Wales Collins' tailoring establishment ready for your selection to be made into the latest fall style, tailored to your measure. And the prices too are attractive, just think of having your full suit or top coat made to your measure at from \$18 to \$22.50. They're snappy patterns too and you cannot afford to miss seeing some of them before you buy. There is a pattern that will just suit your taste. Come to 24 South Third street and let us show you.

STRONG PAPER REQUIRED

Letters to military men receive much handling and to insure the delivery of your letter to the friend or relative who is at the front you should use a paper that will withstand much handling. Care should also be used in directing your letters and see that the correct address is given. If you are in doubt as to what kind of paper to use for your correspondence ask Edmond's Book Store and they will tell you that there is no paper better than Highland Linen or Crane's Linen Lawn for your correspondence to the men at the front.

There has been no case of yellow fever in the United States since 1905.

RESPONSIBILITY RESTS HEAVILY ON THE CATCHERS

(ASSOCIATED PRESS TELEGRAM)
New York, Oct. 3.—Analysis of the work of the various players by positions in the past World Series emphasizes the fact that with the possible exception of pitchers no member of the team is under greater physical or mental strain than the catcher during the battle for the championship of the major leagues. In the handling of delivery and signals, close plays at the plate, throws to cut down base stealers and in backing up first and third in throws from the outfield the catcher is both a busy and important factor in the contest.

A sharp eye, steady judgment, a powerful throwing arm and cool courage are necessary requisites for the player who dons the mask and wind pad in the most important of all baseball games. It is fortunate that both the Chicago Americans and the New York Nationals are equipped with catchers of this calibre for the series of 1917 which begins in Chicago next Saturday. While the Giants have a slight advantage in quantity, in this department of the game, the White Sox are generally conceded to have an edge in the quality of the receiving staff.

The Chicago catchers include Ray Schalk, Byrd Lynn and Joseph Jenkins, while the New York quartet consists of George McCarty, William Rariden, George Gibson, and John Onslow. As both Jenkins and Onslow are comparative newcomers, they are not likely to figure in the series to any extent and their chance of seeing service is extremely remote. Schalk is expected to bear the catching burden of the White Sox in every game of the series unless he should be incapacitated by accident or illness. He has caught in more than seventy-five percent of the season's games while Lynn has acted as receiver in the others. Rariden has done the greater amount of the back stopping for the Giants this year due in part to the fact that McCarty broke his leg early in the season and was out of the game for several months. Gibson, the former Pittsburgh receiver, is the third string catcher for New York.

If McCarty can stand the strain of the game, and it is the impression among the New York players that he will, he will undoubtedly have first call upon the position. This will bring him into action against Schalk. The latter is unquestionably one of the best catchers of the day. He knows the weaknesses of the various batters and, as he can handle the delivery of any and all the Chicago twirlers, he will be able to signal for any form of curve or break that he may think puzzling to the man at the plate.

The outstanding feature of his play, however, is his fast and accurate throwing to the bases. He must be a speedy sprinter and perfect slider who will put his skill against Schalk with any degree of success. McCarty is not so brilliant in this feature of the catcher's art but he is an excellent director of the work of the hurlers and is a far stronger batter than Schalk. According to the season averages there is little choice in the fielding work of the two catchers, but the White Sox backstop is much faster on the base lines than McCarty as the latter's accident is likely to prevent him from taking chances at base stealing except in an emergency.

An injury to Schalk during the early stages of the coming series would work havoc with the Chicago club for while Lynn is an ambitious player, he lacks the experience and all-around position to face such a disaster for either Rariden or Gibson, owing to their greater experience can step into McCarty's place with less disconcerting effect upon the team play than would be the case were it necessary to substitute Lynn for Schalk. This can be seen from a comparison of the following records which include the batting, and fielding averages, stolen bases and double plays of the five catchers who may participate in the series:

New York League Club.				
G.	B.A.	F.A.	S.B.	D.P.
McCarty	.48	.298	.976	0
Rariden	.36	.278	.976	3
Gibson	.31	.176	.984	1
Onslow	1000	...
Chicago American League Club.

MAXWELL

Most Miles per Gallon

Most Miles on Tires

\$950

F. O. B. FACTORY

A motor truck must submit, and PASS, the acid test of COST.

That is the test we want you to apply to the one-ton Maxwell truck—its first cost—and its operating cost.

A Maxwell truck—which is a REAL truck, worm-driven—sells at a price that can not be met in any other motor vehicle of like efficiency, durability, and economy.

A Maxwell truck will cover 100 miles in a work day—twice the distance covered by two teams and two drivers.

It will do this at an operating cost of less than that of one team of horses.

Moreover, it is of a size and capacity adapted to the needs of almost every form and phase of commerce, industry, or farming.

The question is not, "Can I afford to have a Maxwell truck?"

The FACT is, Mr. Business Man, you can not afford to be without one.

One-ton Truck Chassis \$865; Chassis with cab and windshield \$900; Chassis with cab, windshield, and Stake Gate Body \$950.

NEWARK, OHIO

MANAGER M'GRAW PINS HIS FAITH TO THIS TRIO TO SERVE AS BATTERY MATES TO HIS SPLENDID PITCHING STAFF

McCarty, a great backstop and fine batter will bear the brunt of the Giant's catching. He should outbat Schalk by a wide margin, but hardly will rival the White Sox star in the other departments of the game. Rariden is little behind him in power on offense and defense, while Gibson is a seasoned veteran of the champion Pirates.

Palmer of Newark and her last theatrical appearance in Newark was during the season of 1912-13 when she played the lead in W. A. Brady's "Baby Mine," succeeding the now famous screen star, Marguerite Clarke.

Woodside Prayer Meeting.
 Woodside prayer meeting will be held at the home of Mrs. Stormont in Eddy street, Thursday morning. Penny Rookies Here.

A troop-train of 10 coaches passed through this city this morning over the Baltimore and Ohio Railroad, bound for Camp Sherman, Chillicothe. The soldier boys were all from Pennsylvania and a number were permitted to alight from the train here and stretch their legs after their all-night ride and also to mail cards. They also made a rush for a nearby restaurant, although they stated that they were well taken care of on the train, having plenty to eat.

Kear Goes to Camp Lee.
 Arthur Kear, son of Mr. and Mrs. Richard Kear, Granville Road, left Monday night for Camp Lee, Petersburg, Va. Mr. Kear is a member of the selective army from Sharon, Pa., and has been here for several weeks visiting his parents, brothers and sisters.

Liberty-Bond Display.
 The Boston Store, south side of square, is attracting attention to its center show window by a display of a \$50 Liberty-bond of the first issue, together with the interest coupons attached thereto. The Boston Store accepts Liberty bonds at face-value for merchandise, and the display of the bonds in this enterprising firm's main window is sure to cause men and women to think, especially those that can and who have not bought their share of the Liberty bonds.

Attended Medical Meeting.
 Drs. C. J. Dillon, W. E. Boyer and Leland Baxter attended the meeting of the Tenth District Medical Association at the Mt. Vernon Sanitarium yesterday. The program was interesting and the medical men enjoyed an inspection of the institution, where Ohio is trying to combat tuberculosis.

Electing Elk Members.
 A regular session of the Elk lodge was held Tuesday evening and two applicants were received into membership—E. D. Claggett, a railway mail clerk, and Chas. A. Hopkins, theatrical man, who assists E. J. Moore of this city on the big vaudeville circuit. They will be initiated into Elkdom at a future meeting. The sum of \$342 was subscribed last night for the Elk's war relief fund.

Returns from Installation.
 Rev. Emil Kraft, pastor of St. John's Evangelical church has returned from Tiffin, O. where he installed Rev. Mr. Klick as pastor of the St. John's Evangelical church in Tiffin. The installation services were attended by a large congregation.

Woodside Homecoming.
 Tabernacle workers from Columbus will aid in the home coming service at the Woodside Presbyterian church next Sunday. The male quartet which sang at the Bromley meeting will assist with the music. The meeting will last all day. A bag get dinner will be a feature of the day. Bert Gill of the Railway Y. M. C. A. will assist. Services will be held at 10:30 a. m., 2:30 p. m., and 6 p. m. The Sunday school rally will begin at 9:15.

Today's Police Court.
 Mayor R. C. Bighe had a list of seven regulars before him this morning and gave them all the usual fine, \$5 and the costs each. None were financially able to meet the demand exacted by the law, and were returned to the city prison to board with Turnkey Francis.

Four Charges of Forgery.
 E. C. Ellsworth, arrested in this city by Police Chief James Sheridan, charged with trying to pass a worthless check, was returned to Dayton, today, where four indictments for forgery have been returned against him by the grand jury. Ellsworth is the father of a family of 14, but of course that fact will not excuse him in the eyes of the law.

Pletcher Is Exempted.
 Charles W. Pletcher, who lives on R. F. D. No. 3, east of this city, has been released from custody, having been held on the charge of failure to answer to the draft board for examination. Pletcher proved beyond all reasonable doubt that he had never received notification. He is a married man and the father of three young children, and for that reason will be exempted from military service.

Returned to U. S. Army.
 Edward Hurlbaugh today took Watt Cannon and Louis Bellas to Columbus and turned them over to officials at the United States barracks in that city. The men were charged with evading the draft and were arrested by Officers James Donnelly and Hurlbaugh, and they received the sum of \$100 from the government.
Held For Investigation.
 Two young boys named Conlon and Scott, aged 19 and 20 years, were picked up by B. & O. officers early this morning and were charged with train riding. When searched at the city prison one had a solid watch on which was engraved "Arthur Conlon, amateur boxer." They claimed to be from Milwaukee and said they were on their way to Akron where they expected to find employment at high wages. They left train at Chicago Junction, after "beating" a dead end baggage car from some city in Indiana, and got on the wrong train at the former place. They will be held pending an investigation.

PROF. H. C. PRICE AND L. C. RUSSEL SPEAK THURSDAY

The different committees in charge of the demonstration to be given the soldier boys tomorrow afternoon, previous to their departure for Camp Sherman, report that much progress has been made for the big event.

The Buckeye band will meet with the different patriotic, civil and fraternal organizations in front of the Auditorium theatre promptly at 12 o'clock and the parade will move at 12:15. It is requested that every organization in the city participate. The exercises will take place from a platform in front of the south steps of the court house and a place will be reserved for the new Community choral club and members of the Buckeye band. Police Chief James Sheridan and squad of officers will also reserve space for those participating in the parade.

The speakers will be Homer Price, of the Welsh Hills and Atty. L. C. Russell of this city. Chairman A. S. Mitchell of the committee of arrangements will preside during the ceremonies. Rev. Chas. H. Stull will ask the invocation and the band and choral society will render several selections.

Frank Strear, well known local vocalist, will sing "America, I Love You." The Buckeye band will play the accompaniment.

The parade will reform and march to the B. & O. station where the boys will be presented with lunch boxes, containing fried spring chicken, sandwiches, pickles, hard boiled eggs, peaches and cake, after which soldier medals will be presented by C. H. Spencer on behalf of the residents of Newark and Licking county. The boys will then board the train for Chillicothe, via Washington C. H. and arriving some time in the evening.

The soldier boys will meet at 3 o'clock this afternoon at the draft board headquarters in the court house and will meet again at 5:30 o'clock to answer retreat roll call. Nearly all of them will spend the night at home. Those who care to may stay at the hotel, the board bearing the expense of lodging and meals.

The remaining 15 per cent of drafted men, together with all colored and drafted men are requested to meet with the soldier boys tomorrow and act as an escort of honor. Tomorrow's demonstration may be the last big event of its kind for some time.

GREAT FLOTILLA OF DESTROYERS SOON BE READY

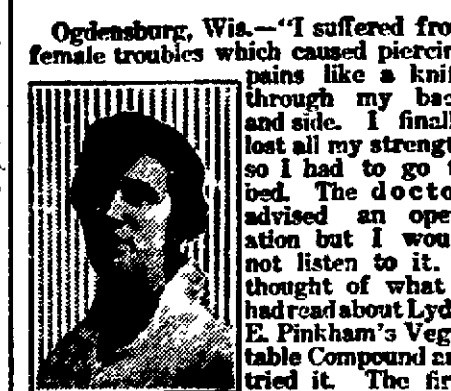

(Continued from Page 1.)
 A regular session of the Elk lodge was held Tuesday evening and two applicants were received into membership—E. D. Claggett, a railway mail clerk, and Chas. A. Hopkins, theatrical man, who assists E. J. Moore of this city on the big vaudeville circuit. They will be initiated into Elkdom at a future meeting.

The result of warship production in the United States has been increased to such a point that a greater amount of fighting tonnage is being produced in a given time than has ever been achieved before by any power.

A burning fence in the rear of the Sprague home in North First street called all the city fire apparatus at 11:30 o'clock last night. The loss was nominal. Patrolman Harter and Deputy Fire Marshal Baird searched for the fire some time before it was discovered.

PAINS SHARP AND STABBING

Woman Thought She Would Die. Cured by Lydia E. Pinkham's Vegetable Compound.

Ogdensburg, Wis.—"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound. —Mrs. ERRA DORION, Ogdensburg, Wis. Physicians undoubtedly did their best, battled with this case steadily and could do no more, but often the most scientific treatment is surpassed by the good old fashioned roots and herbs contained in Lydia E. Pinkham's Vegetable Compound. If any complication exists it pays to write the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special free advice."

New Gray Boots All The Go For Women--Your Pair Is Here

And you have cloth and leathers to select from, some of the styles in one shade of grey, another in two shades, and then they come in grey and black combination—you will find them very stylish this season. You have very large range of styles to select from, as stocks are unusually large, and the values are as good, if not better than you would expect. Come in and try on a pair of the new grey boots.

Women's Grey Boots For \$9.00

Button and lace models, fine superb black kid vamps with oyster grey cloth top, welt soles, leather Louis heels, with plate insert, stitched imitation tip; a very stylish 8-inch boot priced for \$9.00

Women's Grey Boots For \$7.50

Here is another one of the new style boots, has grey cloth top with black leather collar at top, with vamp of fine glazed black kid leather heel, with insert; 8 1/2-inch boot—priced at \$7.50

SPECIAL STUDY OF WAR DISEASES BY U. S. DOCTORS

(Continued from Page 1.)
 dumbness and blindness—the effect of the concussion from the exploding missile near by. A man may be tossed about by three or four shells without getting hit by a fragment or a splinter, but the effect of this tossing always tells on the nervous system. Some of the worst shell shock cases have been those where soldiers were buried under the earth thrown up by huge projectiles. Such burial does not always affect the men that way. It is related that recently when an old British sergeant was dug out from under a ton or more of shell debris and asked if he was hurt, he replied: "No, sir. I guess not, but I am certainly strong for a separate peace."

A remarkable thing about shell shock cases is that none occur during a big battle. The reason for this is perfectly plain. In battle the men are buoyed up by the great excitement, are pressing forward and often are engaged in hand-to-hand fighting, while all about them is the continual roar of battle. They often become absolutely oblivious to exploding shells under these circumstances until actually hit. Shell shock comes when the men are compelled to sit in trenches for long period or when they are out on nerve testing patrol duty between the fighting lines at night and a big German missile bursts unexpectedly over them.

The treatment of shell shock is often closely akin to that for temporary insanity. The doctors and other attendants strive always to get the confidence of their patients and try to start them talking, when the trembling and other manifestations frequently disappear.

TEDDY ASKED TO HELP

COLUMBUS BOND SALE

(ASSOCIATED PRESS TELEGRAM)
 Columbus, O., Oct. 3.—Invitation has been extended by the local Liberty loan committee to ex-President Theodore Roosevelt to speak here in the interest of bond sales on October 24. A telegram to this effect was dispatched to the colonel at his Oyster Bay home last night.

IF YOUR EARS RING WITH HEAD NOISES

If you have Catarrhal Deafness or head noises go to T. J. Evans or any druggist and get 1 ounce of Parmit (double strength), and add to it 1/2 pint of hot water and 4 ounces of granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has Catarrhal Deafness or head noises should give this prescription a trial. 10-3-25

Saturday October 6th National Candy Day

Our Candies are always fresh and good. We have the high-grade and fancy makes, and also the inexpensive kind. Our stock is large and inviting. See our expert candy-maker at work in the Arcade show window afternoons and evenings. We sell good candy while it is fresh.

The Busy Bee You'll Find News in the Wants Today

IN THE ARCADE.
 George Stames, Proprietor.

NOTICE.

Attention is called to ordinance No. 1492, requiring:

"That before the erection of any building, or the making of any addition thereto, or the reconstruction thereof, * * * shall be commenced within this City, a written application for a permit therefor shall be made to the Board of Public Service of said City, etc., etc. * * * Any person or persons violating any of the provisions of this ordinance shall, upon conviction thereof, be fined in any sum not less than one dollar nor more than fifty dollars," etc.

All persons not having complied with this ordinance are hereby notified to take out aforesaid permit.
WM. C. CHRISTIAN,
 Director of Public Service.

Notice!

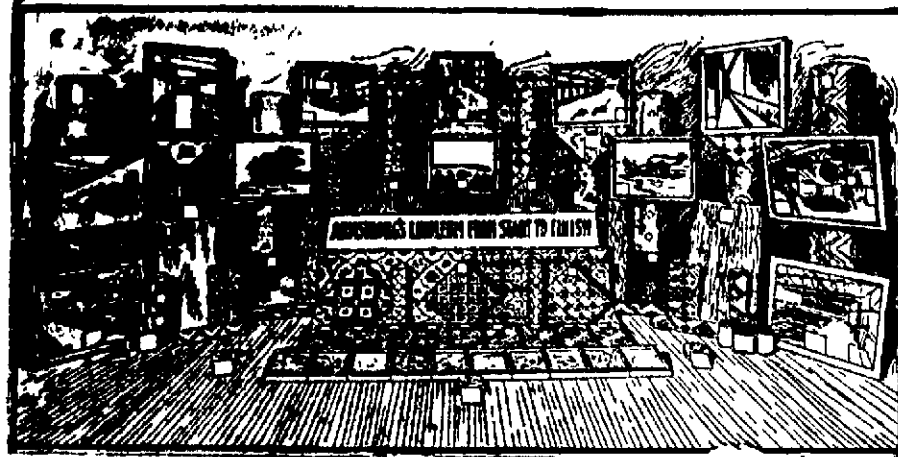

Because of the increase in the cost of white paper and in order to keep them up to their present standard, it has been found necessary to increase the price of the following newspapers.

On and after Oct. 1st all Chicago, Cleveland and Pittsburgh papers will retail at 8 cents per copy. All Cincinnati Sunday papers and the Columbus Dispatch will retail at 6 cents per copy.

All Cleveland and Pittsburgh papers, delivered by carrier will be delivered at 12 cents per week, daily only, and 20 cents per week, daily and Sunday.

The prices of other papers to remain the same as at present until further notice.

HANSBERGER & FRY, Agents

Do You Have Any Idea What Linoleum Is Made of

Do you know how many far-off countries contribute to manufacture? Did you ever realize that cork from sunny Spain, flax from Siberia, jute from the swamps of India and kauri gum from New Zealand are all brought together in this modern floor covering? It's a long story and columns devoted to its telling would not enlighten you half as much as a few minutes spent in front of

OUR SOUTH WINDOW

Looking at the interesting and instructive display from the ARMSTRONG LINOLEUM FACTORY. It contains specimens of every ingredient that enters into the manufacture of linoleum. Then there are the various blocks used in printing linoleum, and samples showing the successive stages of the printing process. The many large photographs included in the exhibit are especially interesting. One shows block cutters at work, another the mixing of colors, while other pictures give some idea of the immense "stoves" or curing room where miles of linoleum are hung up to season and dry.

IT WILL BE A TREAT

For those who like to know how and what things are made of, to see this interesting exhibit in our window all this week.

LINOLEUM FOR PRACTICALLY EVERY ROOM IN THE HOUSE

If you are under the impression that linoleum is intended as a floor covering for the kitchen and bath exclusively, we invite you to see the many attractive colorings and designs suitable for any room in the house. For the dining room, bed room, library, nursery, while for offices and lodge floors it's a splendid covering. It's easily cleaned, serviceable and sanitary, and a minute with the mop and it's as bright and fresh as ever. May we show you the many beautiful patterns linoleum is made in? The pretty tile effects, the small mosaic patterns, the matting designs, wood patterns and neat floral effects? Among the many splendid qualities are—

THE SPECIAL INLAID LINOLEUM \$1.00 SQ. YD.

Colors through to the back, and shown in two-yard width, in blue and white tile patterns and small mosaic effects.

THE HEAVY PRINTED LINOLEUM AT 75c SQ. YD.

Is the kind with the burlap back, two yards wide and a big assortment of patterns in matting effects, wood patterns, fancy block designs in a big range of colors.
EXTRA HEAVY PRINTED LINOLEUM, FOUR YARDS WIDE.....85c SQ. YD.
EXTRA HEAVY INLAID LINOLEUM, FOUR YARDS WIDE.....\$1.75 SQ. YD.

A KIDDIE-KAR

For the youngsters' health and happiness. Safe for even the tiniest tot, no sharp corners and so low the child is nearer the floor than when standing. It's the only practical indoor car and yet it is the greatest outdoor coaster ever.

Sizes for the little ones just learning to walk, as well as those for children six or seven years of age. Prices—
\$1.00, \$1.50, \$2.00 and \$2.50

KIDDIE-KAR

RED CROSS HOSPITAL FOR CHILDREN IS DOING GREAT WORK

Washington, Oct. 3.—What is being accomplished by the American Red Cross for the children of France is indicated in the following cable just received from Major Grayson M. P. Murphy Red Cross Commissioner to France:

"The medical work for children which the American Red Cross has undertaken at Toul had its formal opening in the presence of the perfect of the Department, two generals of the French Army, the Senator of the Department and several American doctors and nurses. The French and American flags were raised in front of the new brick barracks for the French government for the children's refuge. The Perfect warmly thanked the American Red Cross for its help with the children.

"The new staff, consisting of several specialists in children's diseases and fifteen nurses and aides, are at work under the direction of Dr. Sedgwick. Professor of Pediatrics in the University of Minnesota. A large district back of the lines at that point has been forced to remove all children to places of greater safety, and several hundred children at Pompey and Fouard, the towns nearby which are under almost constant bomb attack, have been examined and are being removed from their refuge in caves to the Aisle at Toul as quickly as possible.

AMERICAN FARMERS HAVE A WORLD-WIDE MARKET

The world is depending on American farmers for food. Good buildings will help you prevent loss and will increase your surplus for the market. Investment now in better buildings is wise.

Good Farm Buildings Means Bigger Crops

Sanitary hog houses make bigger hog profits. Chicken houses, built so that rats and moisture stay outside, mean bigger egg yield and more broilers. A concrete-walled cow stable will keep your stock cooler in summer and warmer when winter comes, with bigger milk and butter profits.

Whether it is a single 2x4 or a bill of materials for a barn, your order will have our most careful attention. Our plan service will help you decide on the best design for your purpose. Your dollar is bigger than for years back. A bushel of wheat or a pound of pork will buy more building supplies today than ever before. Now is the time to build food-conserving and labor-saving farm structures.

Two Years Ago Today.
Russia demanded that Bulgaria dismiss German officers from the Bulgarian army.

Three Years Ago Today.
German siege guns silenced three forts at Antwerp. French advance to succor Belgium checked at Arras and Roye.

LICKING CO. BOY TELLS OF ONE DAY'S WORK IN COLUMBUS

"Years ago I worked in Columbus—one day and one day only," said George W. Stevens, president of the Chesapeake & Ohio Railroad and of the Hocking Valley, who was one of the guests at the Chamber of Commerce-Rotary Club luncheon in Columbus, yesterday.

He said he was born and reared at Utica, Licking county, and his first work was as a telegraph operator on the Pennsylvania Lines. He heard of a better job in the Western Union office here. He worked one day in the city and was getting along finely. He liked the job and it brought so much better pay than he had been getting on the railroad that he thought he was fixed.

But the operators of the Western Union walked out that night on a strike. That was "way back in 1870." He was out of a job, but he soon obtained a position with an Eastern railroad. Later he went West. Yesterday he came back to Columbus for a day's visit as president of the Hocking Valley and the Chesapeake and Ohio.

NOTICE EAGLES!

Members of Licking Aerie, No. 387, F. O. E., will assemble at the club house, Thursday at 11:30 a. m., of this week, to participate in the demonstration at noon in honor of our boys and brothers, who leave at that time to begin service for our country.

PLANS MADE FOR DAIRYMEN'S SHOW ARE ELABORATE

Columbus, O., Oct. 3.—A great throng of visitors will come to Columbus for the big exposition between October 18 and 27, the period of the National Dairy Show. The hotel and business men of this city, anticipating this great crowd of interested visitors, have made provision to insure every visitor having a comfortable bed and plenty to eat.

The Chamber of Commerce, Kiwanis, Rotary, Athletic, Advertising clubs, and committees of business men have assumed the task of finding lodging for the visitors.
A system of listing lodging rooms, more comprehensive than ever before attempted in Columbus, has been worked out by the committees. Strangers will be able to rent rooms in hundreds of homes where rooms were never before rented. The hospitality of many homes on East Broad street, Bryden Road, Indianola avenue, and other exclusive residential streets, will be open to show visitors.

A information bureau employing 50 clerks will be established on the statehouse grounds. This will be the general information bureau; if found necessary, branch bureaus will be established. Through this bureau the visitor will be able to find a lodging at whatever price he wants to pay.

Canvas signs stretched across High street at intervals of a block from Union station to Broad street will show strangers the way to the information bureau.

The visitor will be made to feel the hospitality of Columbus the moment he alights from his train. The Kiwanis club will run auto cars which will carry the sign "Courtesy Car." These cars will pick up the visitor and his baggage any place on the street and take him to headquarters or to his room free of charge.

Thousands of business men will wear tags on their coats. "I am from Columbus; ask me." Each man will be an individual information bureau, ready to answer any questions with which the strangers may bombard him.

The Hotel Association of Columbus has taken charge of room rentals of all hotels in the city as an insurance against boosting of prices. If the demand for rooms in hotels and homes should be greater than the supply, business men are prepared to put beds in downtown offices to accommodate the overflow.

Two hundred Boy Scouts will be detailed to the statehouse information bureau and to the steam and electric road stations. They will carry the visitors' hand-baggage and act as his guide.

Every street will be posted with placards directing the way to the state fair grounds, where the dairy show will be held.

Signs showing the way to Columbus will be put up at every road intersection within 75 miles of Columbus.

HOLLAR UNDER KNIFE.

Guy V. Hollar, chief operator for the Columbus Union Depot company, is to undergo an operation at Johns Hopkins hospital, Baltimore, today, for an ailment that has troubled him for several years. Recently he promoted a "war" school of telegraphy for women. Mr. Hollar is a former Newark man.

Don't forget the musical under the direction of Mrs. Mary Mortley Hays, Thursday evening, October 4, at 7:30 o'clock. Members and friends cordially invited. No admission.

Plenty of light to illuminate your home makes it cosy and saves your eyesight. Beautiful light fixtures at small cost at The Avery & Loeb Electric Co. 3-d-1t

Independent Candidate Jordan And Campaign Committee Make Statement To Newark Voters

In view of municipal conditions in this city the undersigned have been selected by a large body of citizens who have been instrumental in bringing about the nomination of Elmer W. Jordan as Independent candidate for mayor of Newark, and we have consented to act as an executive committee, to manage his campaign. We, therefore, deem it advisable to state briefly some of the reasons which have led the people to take these steps:

1. We believe that political affiliation ought not to exclusively control the choice of municipal officers.

2. We believe that character is an important consideration in the choice of a proper person to be mayor and chief executive of our city.

3. The purpose of government is to serve the whole people, not party. We believe that efficiency and economy ought to be the two pole stars of official endeavor

to the end that public work shall be well-planned and executed in a right manner to the best interests of all.

4. We think the public expenditures have reached the high point and the people are receiving the poorest service. Our tax levy is as high as the law allows, yet the streets, as a rule, about the city are in miserable condition and not kept clean. Our public utilities are given poor service. In fact, at no point do the people get near an adequate return for their money.

5. The bonded indebtedness of city is on the increase constantly, yet no where can it be seen where this money adds to the public benefit in the measure of the indebtedness.

6. We believe that Newark having grown to the size and importance of a city, that law should be so enforced as to interfere as little as possible with individual liberty, but always to the end of insuring proper living conditions in this city.

7. We believe that the water supply of the city ought not to be contaminated through a long series of years or to get into such a condition that it should be necessary for the national government to interfere and prevent its use on trains.

8. We believe that the subways and all other improvements for which bonds have been sold should be pushed to early completion to the end that the city may reap the benefit which is due it for the interest it is now paying on the bonds.

9. The bonded indebtedness of the city is about \$1,062,923.00, of which 49 per cent has been issued in the last five years. This is near the limit the council can issue without a vote of the people.

Unless the interests of the city are carefully conserved we realize that we cannot issue bonds for real necessities because of the limitation allowed by law. We believe the improvement of the water and sewer systems is necessary at once. We regard the health of our people beyond money and price.

This committee was selected by no organization, but by the citizens of all parties and vocations composed of business, labor and professional men acting only through patriotic motives, believing the public good just at this time demands this step, and we call upon all citizens, without distinction, to assist in conserving the public welfare.

We believe these citizens who have selected the independent candidate for mayor made a wise choice in selecting a man of wide education and experience, of qualification that will measure up to the standard of qualification for the mayor of any city, who can represent our city upon public occasions with due credit as well as honestly administer its affairs upon a basis as distinguished from a political leader.

Having the foregoing objects and none other in view, we respectfully solicit, on behalf of the body of citizens we represent, the support of all who want to make the city of Newark what it can and ought to be.

JOHN A. CHILCOTE,
WM. H. SMITH,
GEO. HERMANN,
BEN MONTGOMERY,
A. A. STASEL,
RODERIC JONES,

W. W. LITTELL,
J. T. LEWIS,
WALTER C. SYMONS,
HENRY S. FLEER

INDEPENDENT CANDIDATE FOR MAYOR

MR. JORDAN'S STATEMENT

To the Electors of the City of Newark:

When a candidate comes before you asking your support, it is no more than just that he set forth the policies he expects to pursue. Therefore, in a brief statement I desire to explain the platform I shall carry out in the event of my election:

I. To the principles enunciated in the declaration of the committee of citizens I heartily subscribe.

II. I shall to the best of my ability select all appointive officials with an eye single to efficiency and in no way shall I consider political affiliations as an asset in an applicant.

III. The financial condition of the city is such as renders strict economy necessary so that the city may be able to raise money for necessary improvements without exceeding the lawful limitation upon issue of bonds or involving the city in excessive indebtedness. The improvements which are now authorized and which have been neglected, I shall, to the extent of my ability, expedite.

IV. In all the general affairs of my administration, if elected, I shall so enforce the law that justice shall be obtained by all, giving attention to strict business principles and govern all details with a view to economy without sacrificing efficiency.

V. Last, I shall try to make it easier for every citizen to live up to the high privilege of good citizenship. As to any special moral purpose in my campaign I have none besides the general welfare of all.

ELMER W. JORDAN.
Newark, O., Sept. 22, 1917.

ELMER W. JORDAN

"I stand for no one class against another, but for the general welfare of all."
